**AFFIDAVIT IN SUPPORT OF
AN APPLICATION FOR A SEARCH WARRANT**

I, Alex O'Toole, being first duly sworn, hereby depose and state as follows:

I. INTRODUCTION AND AGENT BACKGROUND

1. I am a Task Force Office with the Drug Enforcement Administration, (DEA) and have been since January 2022. Before that, I was employed as a deputy sheriff with the Waukesha County Sheriff Office (WКСO) in Waukesha, Wisconsin, where I spent the last 5 years as a Detective in our detective bureau with the focus on financial and major crimes. During my tenure as a police officer, he has been involved in multiple drug related investigations to include but not limited to sale, distribution and Len bias homicides. As a member of DEA, I worked investigations directly in the City of Milwaukee and the State of Wisconsin as well as the entire United States based upon the direction of the investigations that arise through the Milwaukee District Office (MDO) of the DEA.

2. As a federal law enforcement officer, I have participated in the investigation of narcotic related offenses, resulting in the prosecution and conviction of numerous individuals and the seizure of illegal drugs, weapons, stolen property, United States currency, and other evidence of criminal activity. As a narcotics investigator, I have interviewed many individuals involved in drug trafficking and have obtained information from them regarding the acquisition, sale, importation, manufacturing, and distribution of controlled substances. Through my training and experience, he is familiar with the actions, habits, traits, methods and terminology used by the traffickers and abusers of controlled substances. I have participated in all aspects of drug investigations including physical surveillance, execution of search warrants, undercover transactions, court ordered wiretaps, analysis of phone records, analysis of electronic devices, financial records informant handling and the arrest of numerous drug traffickers. I have authored many search warrants during his tenure as a law enforcement officer. I have also spoken on

numerous occasions with other experienced narcotics investigators, both foreign and domestic, concerning the methods and practices of drug traffickers and money launderers. Furthermore, I have attended training courses, which specialized in the investigation of drug trafficking and money laundering. Through these investigations, training and experience, and conversations with other law enforcement personnel, I have become familiar with the methods used by drug traffickers to manufacture, smuggle, safeguard, and distribute narcotics, and to collect and launder trafficking – derived proceeds. I am aware of the methods employed by major narcotics organizations to thwart any investigation of their illegal activity.

3. Base on my training, experience, as well as information relayed to him during the course of his official duties, he knows that a significant percentage of controlled substances, specifically marijuana, cocaine, heroin, fentanyl and methamphetamine, imported into the United States comes from Mexico and enters the domestic market at various points along the southwest borders of the United States, because Mexican cartels control the transportation, sale, and importation of marijuana, cocaine, heroin, fentanyl, and methamphetamine into the United States.

4. Based on my training, experience, and conversations with other law enforcement officers, he knows that the distributors of marijuana, cocaine, heroin, fentanyl, and methamphetamine as well as other controlled substances, often used cellular and landlines telephones. Additionally, I know that drug traffickers often change their phone numbers and cellular devices on frequent basis in an attempt to thwart law enforcement from tracking their phones and to conceal their identity. I know that these individuals often use code words to discuss controlled substances and methods of concealing controlled substances while talking on the telephone. I know drug traffickers often conduct extensive counter – surveillance to avoid law enforcement detection.

5. Based on my training and experience, he knows that narcotics – trafficking and money laundering organizations routinely used several operational techniques to sustain their illegal enterprises. These practices are designed and implemented to achieve two paramount goals: First, the successful facilitation of organization 's illegal activities including the importation and distribution of controlled substances and the subsequent repatriation of the proceeds of that illegal activity; and second, the minimization of the exposure of the coconspirators, particularly those operating in leadership roles, from investigations and prosecution by law enforcement. More specifically, based on training and experience, I know the following:

- a. Sophisticated drug trafficking organizations routinely compartmentalize their illegal operations. The compartmentalization of the operations reduces the amount of knowledge possessed by each member of the organization. This method of operation effectively minimizes the potential damage an individual cooperating with law enforcement could inflict on the organization and further reduces the adverse impact of the particular law enforcement actions against the organization.
- b. Members of these organizations routinely used communications facilities, such as cellular telephones to communicate directions and information about the organization's illegal activities to other organization members.
- c. During the course of these telephonic communications, organization members routinely use coded references and encryption in an effort to elude law enforcement detection.
- d. The communication of time sensitive information is critical to the successful conduct of these organizations' illegal activities. The critical nature of this information stems from the necessity of the organization's leadership to provide direction from the importation and distribution of narcotics and subsequent laundering of the proceeds of those activities.
- e. Drug traffickers and money launderers associated with them often confine their illegal telephonic communications to long – trusted organizational members and high – level narcotics traffickers in an attempt to evade law enforcement and circumvent narcotics investigations; and
- f. Drug traffickers routinely use fictitious names or other individuals to register pagers, telephones, vehicles, real property, and utility services to avoid detections from law enforcement.

- g. Drug traffickers used what is refer to as a “stash house” to stow illegal items such as illegal controlled substance, packaging paraphernalia, illegal firearms, ledgers, and US currency. Often times members of drug trafficking organizations have to make stops at the stash locations to pick up illegal controlled substance to deliver. Multiple stops can be made in a day at these locations. This is done so the trafficker does not have to carry additional illegal controlled substances in their vehicle or person. This protects the trafficker from law enforcement investigations as they do not have illegal controlled substances on them after the delivery is made. Often time the US currency will be transported after the delivery to the stash house to protect against law enforcement investigation and rival drug trafficker’s robbery crews.

6. I have participated in numerous investigations involving the seizure of computers, cellular phones, cameras, and other digital storage devices, and the subsequent analysis of electronic data stored within these devices. I have also participated in investigations involving the use of historical and prospective location information to identify targets, map patterns of travel, corroborate other evidence, and apprehend persons to be arrested. On numerous occasions, this electronic evidence has provided proof of the crimes being investigated and corroborated information already known or suspected by law enforcement. During the course of my investigations, I have regularly used electronic evidence relating to the commission of criminal offenses, including intent, motive, manner, means, and the identity of co-conspirators.

7. I am participating in an investigation regarding use of a communication device in furtherance of drug trafficking, in violation of Title 21, United States Code, Section 843; distribution and possession with intent to distribute controlled substances; and conspiracy to distribute and possess with the intent to distribute controlled substances, violations of Title 21, United States Code, Sections 841 and 846, involving James DAVIS, Juiquin PINKARD, LaJuan GRAHAM, and Brooke DOUGHTY and other known and unidentified subjects.

8. I am familiar with the facts and circumstances regarding this investigation as a result of my personal participation in this investigation, and my review of: (a) consensually recorded telephone conversations and face-to-face meetings; (b) controlled buys; documentary

evidence; physical surveillance; telephone records; electronic surveillance; and physical seizures (c) reports prepared by, and information obtained from, other federal, state, and local law enforcement agents and officers; and (c) information obtained from witnesses, including confidential sources.

9. The facts in this affidavit come from my personal observations, training, experience and information obtained from other agents and witnesses. Throughout this affidavit reference will be made to case agents. Case agents are those federal, state, and local law enforcement officers who have directly participated in this investigation and whom I have had regular contact regarding this investigation. This affidavit is intended to show merely that there is probable cause for the requested warrant and does not set forth all of my knowledge about this matter.

III. PROBABLE CAUSE

A. BACKGROUND AND DEBRIEF OF CONFIDENTIAL SOURCE

11. Beginning in December 2021, DEA Special Agents and TFO and the Racine Police Department, hereinafter referred to as "case agents," began investigating a drug trafficking organization (DTO) operating in the Eastern District of Wisconsin (WI) which involved James A. DAVIS, LaJuan J. GRAHAM, Juiquin PINKARD, Brooke DOUGHTY and other identified and unidentified subjects. Through confidential sources, undercover controlled buys, physical surveillance, electronic surveillance case agents determined the DTO used multiple phones for communication among themselves, shared a drug customer phone among its members at times, used and shared rental vehicles, and launder drug proceeds through financial institutions and casino.

12. In December 2021, case agents were contacted by Detective David Rybarik of the Racine Police Department. Detective Rybarik is assigned to the Special Investigations Unit (SIU) – Gang Enforcement. Detective Rybarik stated he received information from a confidential source

(CS) indicating that since at least August 2021 James A. DAVIS, DOB: XX/XX/1983, was trafficking heroin in Milwaukee and Racine County, in the Eastern District of Wisconsin.

13. Detective Rybarik stated CS provided information related to James A. DAVIS. CS stated DAVIS lives in Milwaukee, Wisconsin. CS stated he/she could purchase large amounts of heroin directly from DAVIS. CS did not know specifically where DAVIS resides in Milwaukee, Wisconsin. CS stated DAVIS drove a white colored Audi Q7. Further CS stated often DAVIS will conduct his illegal drug transactions with the use of rental vehicles.

14. CS information is credible and reliable because CS is providing information based on CS personal knowledge and observations and said information has been corroborated by other sources during this investigation and supported by surveillance and call detail records. CS is cooperating for consideration on several Bail Jumping, Operating While Intoxicated (OWI) and Operating While Revoked (OAR) offenses. CS has a felony conviction for Manufacturing / Deliver Heroin and multiple misdemeanor convictions for Resisting / Obstructing an Officer, OWI, and shoplifting.

B. PRIMARY CONSPIRATORS AND CONTROLLED BUYS WITH DTO

14. Generally, during the below listed controlled purchases of controlled substances, the CS and/or the undercover agent (UC) placed a recorded phone call or text messages to the target, captured audio and video of the controlled purchase, was followed to and from the controlled purchase location and the above evidence and statements reviewed and verified by law enforcement. Further, prior to the controlled purchase and following the controlled purchases, case agents searched CS and CS's vehicle and no drugs, money, or weapons were located by case agents. Additionally, the controlled substances were all weighed and tested positive for the listed substance using Nark II test kits following the printed instructions and the targets were identified by CS and/or UC through Department of Transportation (DOT) photographs.

a. First Undercover Transaction with DAVIS - January 14, 2022

15. Based on CS indicating he/she could purchase heroin from DAVIS, members of DEA and members from Racine Police Department – SIU conducted a controlled purchase of 25 grams of heroin from DAVIS.

16. On January 14, 2022 CS contacted DAVIS at telephone number (262) 888-0716 to coordinate the purchase of 25 grams of heroin for \$1750. The location of the buy was initial scheduled to occur in Racine, Wisconsin. DAVIS sent CS a text message from telephone (262) 888-0716 requesting CS travel to 2030 North 31st Street, Milwaukee, WI 53208 to pick up the heroin. The address of 2030 North 31st Street is a tire shop which listed address is 2028 North 31st Street, Milwaukee, WI on the Milwaukee City Assessor website. The Milwaukee City Assessor website does not have a valid listing for the address of 2030 North 31st Street, Milwaukee, WI.

17. Once at 2028 North 31st Street, Milwaukee, WI CS made physical contact with DAVIS inside CS's vehicle. DAVIS informed CS "his guy" was on his way with the heroin. After several minutes a 2013 Hyundai Sonata with Wisconsin license plate AHG4155 arrived. DAVIS approached and entered the vehicle. After a short period of time DAVIS exited the vehicle and returned to CS's vehicle with the heroin. DAVIS gave CS the heroin and CS gave DAVIS the \$1750 of buy money. DAVIS exited CS's vehicle and left the area and turned over the suspected heroin to case agents.

18. Case agents reviewed Wisconsin DOT records for the Hyundai Sonata and learned the vehicle was registered to Shakayla Prince of **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**, which is further described in this affidavit as Juiquin PINKARD's residence.

19. Case agents reviewed call detail records of DAVIS' telephone (262) 888-0716 during the January 14, 2022, drug transaction arrangements and purchase, between 11:51 a.m. and

2:06 p.m. DAVIS contacted telephone (414) 840-9759 twelve times during this time frame. During a undercover controlled buy with DAVIS and LaJuan J. GRAHAM DOB XX/XX1983 on January 27, 2022, described in subsection b of this section, GRAHAM provided telephone (414) 840-9759 to contact for future drug purchases.

20. The controlled substance was later tested by DEA Crime Lab and weighed 25 grams and tested positive for fentanyl and heroin.

21. During the week after the controlled purchase of fentanyl, DAVIS and CS had text conversations. DAVIS was under the impression that CS was purchasing the heroin for a friend. Based on DAVIS' impression, DAVIS told CS that he could introduce "his guy" to CS's friend so they could deal directly. Due to the information a second controlled buy was scheduled in which case agents were able to introduce an undercover agent (UC).

b. Second Undercover Transaction with DAVIS and GRAHAM and Counter Surveillance with PINKARD – January 27, 2022

22. The second controlled buy was scheduled for January 27, 2022. CS contacted DAVIS' telephone (262) 888-0716. DAVIS agreed to travel to Racine, Wisconsin for the drug transaction and indicated he would bring his supplier to the deal. The deal was to purchase 50 grams of heroin for \$3500. CS traveled with UC to conduct the deal.

23. Upon UC and CS arriving at the meet location in Racine, Wisconsin, DAVIS, and GRAHAM entered UC's vehicle. GRAHAM was identified as by Wisconsin DOT photo. While in UC's vehicle, CS introduced UC to DAVIS and DAVIS introduced GRAHAM as "LG". GRAHAM passed a bag to UC containing the suspected heroin. After UC inspected the suspected heroin UC passed \$3500 in buy money directly to GRAHAM. GRAHAM and UC had a short conversation in which they exchanged telephone numbers. GRAHAM provided UC his telephone number of (414) 840-9759.

24. The controlled substance was later tested by DEA Crime Lab and weighed 49.9 grams and tested positive for fentanyl.

25. Following the undercover controlled buy, case agents attempted to conduct post surveillance of DAVIS and GRAHAM as they left the meeting spot together in a black Ford Fusion with Florida license plate 88ABGR. During the post surveillance the Ford Fusion was lost. The registration on the vehicle used by DAVIS and GRAHAM on January 27, 2022, listed to Avis / Budget rental company. Records from Avis /Budget indicated GRAHAM rented the Ford Fusion on January 24, 2022.

26. Also, during the undercover controlled buy, case agents conducted surveillance in the parking lot where the buy occurred. Case agents observed a silver Honda with Illinois registration CU 21390 circling the parking lot. Once the undercover controlled buy was completed, the Honda followed DAVIS and GRAHAM from the location. Case agents later identified this black male as Juiquin PINKARD DOB XX/XX/1984 as the driver of the silver Honda. PINKARD was also identified as the same person that provided UC with fentanyl in the February 10, 2022, undercover controlled drug buy described further in subsection c of this section. Based on my training and experience regarding DTOs, PINKARD appeared to be conducting counter-surveillance for DAVIS and GRAHAM on January 27, 2022, in an attempt to identify possible law enforcement or evade law enforcement.

27. Case agents later reviewed police reports that on January 28, 2022, the day following the undercover controlled buy, DAVIS was stopped by Caledonia Police Department. DAVIS was driving the same silver Honda with Illinois registration CU 21390, which PINKARD was driving on January 27, 2022. Caledonia Police Officers also located a white powdery substance which later tested positive for cocaine inside the silver Honda. As part of the investigation into DAVIS' DTO, case agents learned that GRAHAM rented the silver Honda

Accord with Illinois plates CU21390 on January 27, 2022. Further, DAVIS provided an address of 2030 North 31st Street, Milwaukee, WI to law enforcement during this stop. As previously noted, this address is not valid on the Milwaukee City Assessor website; however, the address of 2028 North 31st Street, Milwaukee, WI is listed and is consistent with the tire shop at the location.

28. Case agents also reviewed the Wisconsin Circuit Court Access Website which indicated James DAVIS was charged in Racine County Court Case 2022CF216 for possession of cocaine and other felony offense from the traffic stop on January 28, 2022. James DAVIS listed an address of 2030 North 31st Street, Milwaukee, WI on this case also.

c. Third Undercover Transaction with PINKARD and GRAHAM – February 10, 2022

29. On February 10, 2022, case agents conducted an undercover controlled buy for 50 grams of heroin between UC and GRAHAM. UC verified GRAHAM's number by contacting GRAHAM's telephone (414) 840-9759 via text and phone calls to coordinate the drug purchase. UC went to a Citgo gas station located at 3929 North 49th Street, Milwaukee, WI to conduct the undercover controlled buy. While UC waited, GRAHAM called UC using telephone (414) 840-9759. GRAHAM stated that "his guy" was in the area in a silver Volkswagen. UC observed a Volkswagen with Ohio registration HST 7153. UC approached the Volkswagen when PINKARD, who was later identified by a DOT photo, exited the Volkswagen, and entered UC's vehicle. PINKARD told UC he/she would be dealing with PINKARD in Milwaukee but "other dude down there." Based on the previous undercover controlled buy from January 27, 2022, case agents and UC believed PINKARD was referring to either DAVIS and/or GRAHAM as the "other dude" if the deal took place in Racine. While in the vehicle PINKARD passed a bag to UC containing the suspected heroin and UC passed \$3500 in buy money to PINKARD.

30. The controlled substance was later tested by DEA Crime Lab and weighed 49.1 grams and tested positive for fentanyl.

31. Following the undercover controlled buy from February 10, 2022, case agents used a database to determine the registered owner of the Volkswagen with Ohio registration HST 7153. Case agents learned the Ohio registration HST 7153 was listed to Enterprise rental company, but to a Ford vehicle not a Volkswagen. Case agents later learned the rental company place the wrong plate on the Volkswagen.

d. Fourth Undercover Transaction with PINKARD – February 24, 2022

32. On February 24, 2022, UC arranged for an undercover controlled buy for 100 grams of heroin for \$6500 at 4001 North 60th Street Milwaukee, WI. UC exchanged text messages with telephone (414) 840-9759 to arrange this controlled buy. During the controlled buy PINKARD arrived in the silver Volkswagen with Ohio registration HST 7153, the same rental vehicle used during the controlled buy on February 10, 2022. During the controlled buy PINKARD exited the Volkswagen and entered UC's vehicle. PINKARD provided UC 100 grams of suspected heroin in exchange for \$6500. PINKARD then exited UC's vehicle, returned to the Volkswagen, and left the area. Case agents attempted to follow PINKARD after the controlled buy; however, due to PINKARD's erratic driving case agents had to stop.

33. The controlled substance was later tested by DEA Crime Lab and weighed 99 grams and tested positive for fentanyl.

34. Following the controlled buy on February 24, 2022, PINKARD called UC from (414) 840-9759. PINKARD told UC once PINKARD is more comfortable with UC their meeting location would be safer. Also, during the conversation PINKARD said his "man" told him to deal with UC. PINKARD brought up the potency of the "dope" to UC and PINKARD stated he controls the potency and wants it to be correct, so people do not die. Further PINKARD told UC if he wants strong "dope" he can provide it, but the dope cost a little more.

35. Based on this call from PINKARD using telephone (414) 840-9759, case agents determined the telephone (414) 840-9759 was likely the DTO's drug customer telephone and not a personal phone of one of the members. It appeared the DTO's drug customer telephone (414) 840-9759 was being shared by members of the DTO at this point of the investigation. As the investigation processed, as described below, PINKARD began to regularly answer the DTO's drug customer telephone.

36. On March 1, 2022, the DTO's drug customer telephone (414) 840-9759 text messaged UC and stated the DTO's drug customer telephone (414) 840-9759 was being disconnected and a new DTO's drug customer telephone (414) 587-6004 would be activated to coordinate future dealings. Case agents used a law enforcement database which indicated the DTO's drug customer telephone (414) 587-6004 service provide was US Cellular and no subscriber information was listed, similar as the DTO's previous drug customer telephone (414) 840-9759.

37. On March 7, 2022, UC text messaged the DTO's drug customer telephone (414) 587-6004 to arrange a controlled drug buy. UC received a call from the DTO's drug customer telephone (414) 587-6004. UC spoke to the caller, who UC believed was either GRAHAM or PINKARD based on prior interactions.

e. Fifth Undercover Transaction with PINKARD and DOUGHTY – March 24, 2022

38. On March 24, 2022, case agents conducted an undercover controlled buy of 100 grams of heroin from the DTO. UC contacted the DTO's drug customer telephone (414) 587-6004 via text message to order 100 grams of heroin. UC sent several text messages and spoke with PINKARD several time using the DTO's drug customer telephone (414) 587-6004 to discuss a possible meet location. PINKARD initially indicated he could not meet in Racine, Wisconsin until later in the day, but eventually agreed to meet UC sooner in Racine, Wisconsin to conduct the

transaction of 100 grams of heroin for \$6500. UC believed he/she was speaking with PINKARD based on prior contacts with the DTO's drug customer telephone (414) 587-6004 and PINKARD.

39. PINKARD contacted UC and indicated he was at the predetermined location in Racine, Wisconsin. PINKARD directed UC to a black Audi A4, which had Wisconsin license plate AMK3977. Case agents later reviewed Wisconsin DOT records which indicated the Audi A4 was registered to Steven Doughty, which was determined to be a relative of Brook DOUGHTY. PINKARD stated the female in the Audi A4 had the heroin. UC located the Audi A4 and made contact. The female was identified as Brook DOUGHTY DOB XX/XX/1995 by UC through a Wisconsin DOT photo. DOUGHTY passed UC a cardboard / paper cup which had the suspected heroin inside. UC gave Doughty \$6500.

40. The controlled substance was later tested by DEA Crime Lab and weighed 99.5 grams and tested positive for fentanyl.

41. Prior to the undercover controlled buy, case agents conducting surveillance observed DOUGHTY's Audi A4 at the predetermined met location. Case agents also observed a silver Ford Taurus with extremely heavy tinted windows, which the case agents could not see inside. The Ford Taurus did not display any vehicle registration. Case agents observed the Ford Taurus follow the Audi A4 to the predetermined location. Upon review of court authorized electronic surveillance, PINKARD's personal telephone (414) 748-5568¹ and the DTO's drug customer telephone (414) 587-6004 both showed to be in the area of the controlled buy. Based on the previous controlled buys in which DTO members conducted counter surveillance, case agents determined PINKARD was conducting counter surveillance for DOUGHTY.

42. After completion of the controlled buy, the Audi A4 operated by DOUGHTY left the area and returned to Milwaukee in the area near 2720 East Edgerton Avenue, Apartment 6,

¹ Explanation on how the case agents identified PINKARD's telephone (414) 748-5568 is described in section II, subsection C, c.

Cudahy, WI. After identifying DOUGHTY, case agents review a law enforcement database which indicated DOUGHTY's residence as 2720 East Edgerton Avenue, Apartment 6, Cudahy, WI.

43. The Ford Taurus did not immediately exit the lot, but instead it appeared to wait to see if DOUGHTY or UC was followed, which based on my training and experience would be consistent with the driver of the Ford Taurus conducting counter surveillance. After several minutes the Ford Taurus left the area. Court authorized electronic surveillance for PINKARD's telephone (414) 748-5568 and the DTO's drug customer telephone (414) 587-6004 showed both to be traveling back to Milwaukee and going towards the area of DOUGHTY'S residence, 2720 East Edgerton Avenue, Cudahy, WI also. Case agents were unable to maintain direct physical surveillance of DOUGHTY and PINKARD due to failed radio communication.

44. During the communication between UC and PINKARD using the DTO's drug customer telephone (414) 587-6004, case agents monitored the call detail record and court authorized electronic surveillance of the DTO's drug customer telephone (414) 587-6004 and PINKARD's telephone (414) 748-5568. The electronic surveillance showed both phones were in the same general area. Just prior to the controlled buy, PINKARD's telephone (414) 748-5568 contacted (414) 719-1574. Case agents reviewed a law enforcement database that indicated (414) 719-1574 was a telephone associated with DOUGHTY. Court authorized electronic surveillance showed that at this time PINKARD's telephone (414) 748-5568 and the DTO's drug customer telephone (414) 587-6004 were in the area of DOUGHTY'S residence, 2720 East Edgerton Avenue, Apartment 6, Cudahy, WI.

45. Case agents also reviewed call detail records of the DTO's drug customer telephone (414) 587-6004 during the arrangements of the controlled drug transaction. While UC was attempting to set up the drug transaction, PINKARD indicated "his guy" would not be able to come to Racine, Wisconsin until later in the day. Later PINKARD indicated he would be able to

complete this drug transaction sooner. These appeared to be consistent with communication between the DTO's drug customer telephone (414) 587-6004 and both DAVIS's telephone (262) 888-3327² and GRAHAM's telephone (414) 345-7827³ during this same time frame. Following the call by UC, the DTO's drug customer telephone (414) 587-6004 called DAVIS' telephone (262) 888-3327 several times. After the phone calls with DAVIS' telephone (262) 888-3327, the DTO's drug customer telephone (414) 587-6004 called GRAHAM's telephone (414) 345-7827. During the timeframe of the coordinating and executing the controlled buy, the DTO's drug customer telephone (414) 587-6004 made six contacts to DAVIS' telephone (262) 888-3327 and six contacts to GRAHAM's telephone (414) 345-7827. Based on my training, experience, and investigation into this DTO, these calls were consistent with PINKARD, DAVIS, and GRAHAM coordinating the drug transaction with UC.

f. Sixth Undercover Transaction with PINKARD, DOUGHTY, and HARAMIS – June 9, 2022

46. On June 9, 2022, case agents conducted an undercover controlled buy of 100 grams of heroin from the DTO. UC contacted the DTO's drug customer phone (414) 587-6004 via text message to order 100 grams of heroin on June 8, 2022. Through several text messages and several phone calls with PINKARD using the DTO's drug customer phone (414) 587-6004 the controlled buy was set up to take place in Racine, Wisconsin. UC identified PINKARD as the person he/she was talking to based on prior contacts with PINKARD and the DTO's drug customer telephone (414) 587-6004.

47. UC arrived at the predetermined meet location. UC was contacted by PINKARD using the DTO's drug customer telephone (414) 587-6004. PINKARD stated he was there. At

² During the investigation, DAVIS changed his telephone number to (262) 888-3327. Explanation on how the case agents identified DAVIS' telephone number (262) 888-3327 is described in section II, subsection C, a.

³ Explanation on how the case agents identified GRAHAM's telephone (414) 345-7827 is described in section II, subsection C, b.

this time case agents observed a black Audi A4, with Wisconsin license plate ALY 6784 arrive at the location. This was a different Audi A4 then DOUGHTY used during the March 24, 2022, drug transaction. This black Audi A4, with Wisconsin license plate ALY 6784 also listed to Steven Doughty. UC contacted the Audi A4. DOUGHTY was driving the Audi A4 and no one else was present. During the contact DOUGHTY passed UC a McDonald's coffee cup with the suspected heroin inside. UC passed DOUGHTY \$6500.

48. The substance was taken to the DEA Milwaukee District Office where it was weighed, and field tested. The substance had a gross weight of 100.9 grams with packaging. The field test showed a positive presence for heroin and fentanyl.

49. After the controlled buy was completed case agents conducted surveillance of DOUGHTY. DOUGHTY drove directly back to **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**. Based on the investigation into the DTO, case agents determined **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** is the residence of PINKARD.

50. Case agents conducting surveillance at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** following the undercover controlled buy. Case agents observed DOUGHTY exit her Audi A4 and enter the front door of the **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**. DOUGHTY was carrying a large amount of United States currency in her hand as she entered **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**. Case agents believe the United States currency that DOUGHTY was in possession of was the funds recently provided by UC.

51. Case agents continued to conduct surveillance at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**. After several minutes case agents observed DOUGHTY exit the residence with a black male, that was later identified as Desmond Haramis

(DOB XX/XX/1994) through a Wisconsin DOT photo. Haramis was carrying a small child at this time. Through the investigation, case agent determined Haramis and DOUGHTY have a child in common. DOUGHTY, Haramis, and the child entered the Audi A4 and left the area. Case agents attempted to conduct further surveillance on DOUGHTY's Audi A4, but lost sight of the vehicle. During this time case agents were also conducting surveillance on DOUGHTY's residence at 2720 East Edgerton Avenue, Apartment 6, Cudahy, WI. Shortly after case agents lost sight of the Audi A4 it arrived at the parking lot of 2720 East Edgerton Avenue, Apartment 6, Cudahy, WI. Case agents observed DOUGHTY, Haramis and the child enter the building through the back door, consistent with them going to 2720 East Edgerton Avenue, Apartment 6, Cudahy, WI.

52. Case agents reviewed phone records of the DTO's drug customer telephone (414) 587-6004 from June 8, 2022, to June 9, 2022. UC made contact the DTO's drug customer telephone on June 8, 2022, at 3:32 p.m. to coordinate the controlled buy for June 9, 2022. During the conversation the controlled buy for June 9, 2022, was confirmed. After UC contacted PINKARD on the DTO's drug customer telephone (414) 587-6004, the DTO's drug customer phone (414) 587-6004 made two outgoing calls to DAVIS' telephone (262) 888-2733 and received one incoming call from DAVIS' telephone (262) 888-2733. Court authorized GPS on PINKARD's 2021 Honda CRV with Texas registration PNF5101 showed after these calls were made, PINKARD's Honda CRV was at 4458 North 67th Street, Milwaukee, WI, which was identified as DAVIS' residence at the time. Based on my training, experience, and investigation into the DTO, this was consistent with PINKRD coordinating the drug transaction with DAVIS and likely picking up additional drugs for the transaction from DAVIS.

53. Case agents also reviewed call detail records from June 9, 2022, of the DTO's drug customer telephone (414) 587-6004. The DTO's drug customer telephone (414) 587-6004

contacted DAVIS' telephone (262) 888-3327 and Haramis' telephone (224) 601-4290⁴ on a regular basis starting at 9:00 a.m. and going through the time of the controlled buy, with the last call around 9:15 p.m. There were seventeen direct calls between the DTO's drug customer telephone (414) 587-6004 and DAVIS' telephone (262) 888-3327 during this time frame. Based on my training and experience, members of DTO will make telephone calls with other DTO members instead of sharing text message when discussing the DTO and drug transactions to evade law enforcement later locating the communication. During this same time frame there were twelve contacts between the DTO's drug customer telephone and Haramis' telephone (224) 601-4290 with eleven of the contacts being phone calls. Again, case agents believed these phone conversations were made to avoid text message records of the communications.

54. On June 9, 2022, at 12:08 p.m., just prior to UC contacting the DTO's drug customer telephone (414) 587-6004, (414) 587-6004 had regular contact with DAVIS' telephone (262) 888-3327 and Haramis' telephone (224) 601-4290. Immediately, following UC contact with the DTO's drug customer telephone (414) 587-6004, (414) 587-6004 called both Haramis' telephone (224) 601-4290 and DAVIS' telephone (262) 888-3327. After calling Haramis' telephone (224) 601-4290 and DAVIS' telephone (262) 888-3327, the DTO's drug customer phone (414) 587-6004 text UC to let UC know the controlled buy could happen. Case agents believe PINKARD was managing the DTO's drug customer telephone (414) 587-6004 at this time, based on phone records showing the DTO's drug customer telephone (414) 587-6004 communicating with DAVIS' telephone (262) 888-3327 and Haramis' telephone (224) 601-4290. Case agents believe the phone contacts were PINKARD coordinating the logistics of the controlled buy with DTO members.

⁴ Explanation on how the case agents identified Haramis' telephone (224) 601-4290 is described in section II, subsection C, e.

55. Following the undercover drug transaction, at a proximately 1:32 p.m., the DTO's drug customer phone (414) 598-6004 received two phone calls from DAVIS' telephone (262) 888-3327. There were several other incoming and outgoing calls between DAVIS' telephone (262) 888-3327 and the DTO's drug customer phone (414) 587-6004 within the two hours following the controlled buy. The DTO's drug customer telephone (414) 598-6004 did not have any contact with Haramis' telephone (224) 601-4290 during the controlled buy. Case agents learned Haramis was at PINKARD's residence as described above.

g. Seventh Undercover Transaction with PINKARD – December 20, 2022

56. On December 20, 2022, case agents conducted a controlled buy from the DAVIS DTO with UC. UC contacted the DTO's drug customer telephone 414-750-2464⁵ and coordinated the purchase of 25 grams of heroin for \$1500.

57. Prior to UC contacting 414-750-2464 case agents set up surveillance on multiple residence associated with the DTO. One of the locations was Pinkard's residence, **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**.

58. Once the surveillance was set up UC contacted the DTO's drug customer telephone 414-750-2464. Shortly after the phone contact case agent observed PINKARD arrive at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**. PINKARD pulled up in the 2023 Mazda CX 50, black SUV, Wisconsin license plate ASE4172 (Mazda CX). The Mazda CX is registered to PINKARD at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**.

59. PINKARD was operating the Mazda CX and was with an individual identified as Brian Lane through a Wisconsin DOT photo. Both PINKARD and Lane entered **4711 North 89th**

⁵ Explanation on how the case agents identified DTO's drug customer telephone 414-750-2464 is described in section II, subsection C, f.

Street, Milwaukee, WI (TARGET LOCATION – 1) through the front door, exited several minutes later, and left the area in the Mazda CX with PINKARD driving.

60. Once PINKARD left **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**, the DTO's drug customer telephone 414-750-2464 contacted UC and set up a meet location. UC believed he/she was talking to PINKARD based on previous contacts. UC and PINKARD agreed to meet at the Walgreens located at 7600 West Capitol Drive, Milwaukee, WI.

61. UC responded to the location and contacted the DTO's drug customer telephone 414-750-2464 to confirm he/she was at the location. UC believed he/she talked to PINKARD who confirmed he was on his way to the location. Approximately 10 minutes after UC contacted PINKARD using the DTO's drug customer telephone 414-750-2464, case agents observed PINKARD's Mazda CX arrive at the parking lot of Walgreens. PINKARD was driving the Mazda CX. Prior to contacting UC, PINKARD contacted a white male who was later identified as Douglas L. Lemmer Jr, who was also parked in the parking lot. Based on training and experience case agents believe PINKARD conducted two drug transaction at the location. The first drug transaction was with Lemmer and the second drug transaction was with UC.

62. After PINKARD made a short contact with Lemmer, PINKARD drove his Mazda CX around the parking lot looking for UC. Upon seeing UC, PINKARD parked and exited his Mazda CX. PINKARD entered the front passenger seat of UC's vehicle and passed a knotted baggie corner containing a grey chunky like substance suspected to be heroin. After passing the suspected controlled substance, UC passed PINKARD \$1500.

63. PINKARD left the area after the controlled buy in his Mazda CX. UC left the area and was followed back to the DEA MDO by case agents.

64. Case agents weighed and tested the suspected heroin. The substance showed a pre and post weight with packaging to be 26 grams. The case agents conducted a field test of the

substance using the NIK test kit per the printed instructions. The NIK test kit showed a positive presence for fentanyl, similar to past controlled substance provided by the DTO. The substance was packaged and sent the DEA laboratory for further testing.

C. IDENTIFICATION OF TELEPHONE NUMBERS FOR DAVIS, GRAHAM, PINKARD, DOUGHTY, HARAMIS AND THE DTO'S DRUG CUSTOMER

65. Based on my training and experience regarding DTOs, I am aware that drug traffickers usually maintain a drug customer telephone for arranging drug transaction, but then will generally use other telephones to contact members of the DTO in order to evade law enforcement. Further, based on my training and experience regarding DTOs, members of a DTO may pass the drug customer telephone among co-conspirators and maintaining separate telephone number for communicating among themselves, again in order to evade law enforcement. These types of tactics make it important to identify possible other telephone numbers for members of the DTO, which case agents were able to determine as outlined below. Based on the identifications of the DTO members' telephone numbers, the DTO uses multiple telephones for communication and at times passed a drug customer telephone among its members. For example, on February 10, 2022, UC coordinated the purchase of 50 grams of fentanyl from GRAHAM on the DTO's drug customer telephone (414) 840-9759. On February 24, 2022, UC coordinated the purchased of 100 grams of fentanyl from PINKARD using the DTO's drug customer telephone (414) 840-9759. Further on March 24, 2022, PINKARD used his number of (414) 748-5568 to communicate with DOUGHTY and also used the DTO's drug customer telephone (414) 587-6004 to communicate with GRAHAM's telephone (414) 345-7827 and DAVIS's telephone (262) 888-3327.

a. DAVIS' Telephones (262) 888-0716, (262) 888-3327, (414) 403-8055, (262) 278-2746, and (262)-722-3925

66. During the course of the investigation DAVIS changed his cellular phone number multiple times. Case agents are aware of at least five phone lines used by DAVIS between January

2022 and February 2023. Case agents regularly found DAVIS' service provider was Verizon Wireless.

67. On January 14, 2022, DAVIS used telephone (262) 888-0716 to arrange the drug transaction with CS. Also on January 27, 2022, DAVIS used telephone (262) 888-0716 to arrange the drug transaction with CS and UC.

68. On February 9, 2022, Magistrate Judge Nancy Joseph authorized a federal search warrant for electronic surveillance of DAVIS' telephone of (262) 888-0716; however, when case agents served the warrant on the service provider case agents were informed that DAVIS' telephone (262) 888-0716 was terminated on February 7, 2022.

69. Case agents reviewed call detail records from the DTO's prior drug customer phone (414) 840-9759, which was provided to UC as the DTO's drug telephone by GRAHAM during the drug transaction on January 27, 2022. The DTO's drug customer telephone (414) 840-9759 was also used to set up the undercover drug transactions on February 10, 2022, and February 24, 2022. Case agents observed that between February 7, 2022, and March 3, 2022, after DAVIS dropped his prior telephone (262) 888-0716, telephone number (262) 888-3327 had 90 contacts with the DTO's drug customer telephone (414) 840-9759.

70. Case agents obtained phone records for (262) 888-3327, which indicated there was no subscriber information associated with the number and it had a service provider of Verizon Cellular, similar to DAVIS's disconnected telephone (262) 888-0716.

71. Based on the call detail records, case agents interviewed CS. On February 23, 2022, CS confirmed he/she communicated with DAVIS and DAVIS was using telephone number (262) 888-3327.

72. On March 16, 2022, Magistrate Judge William E. Duffin authorized a federal search warrant for the electronic surveillance of DAVIS' telephone number (262) 888-3327.

73. Case agents reviewed call detail records between (262) 888-3327 and the DTO's drug customer telephone (414) 587-6004, used to arrange the undercover drug transactions from March 24, 2022, and June 9, 2022. DAVIS' telephone (262) 888-3327 and the DTO's drug customer telephone (414) 587-6004 had 555 contacts between March 15, 2022, and June 20, 2022.

74. Case agents obtained additional call detail records and determined DAVIS' telephone (262) 888-3327 was active until July 2022. On November 17, 2022, case agents confirmed with CS that DAVIS dropped telephone (262) 888-3327 and was using telephone (414) 403-8055.

75. Case agents again reviewed call detail records to confirm DAVIS's telephone (414) 403-8055. During this same time, the DTO changed the drug customer telephone to (414) 750-2464, which is further described in subsection f of this section.

76. Case agents reviewed call detail records for the DTO's drug customer phone (414) 750-2464. Between August 26, 2022, and October 3, 2022, DAVIS's telephone (414) 403-8055 contacted the DTO's drug customer telephone (414) 750-2464 104 times and DAVIS's telephone (414) 403-8055 was one of the top callers. Also, between August 26, 2022, and October 30, 2022, DAVIS's telephone (414) 403-8055 and GRAHAM's telephone (414) 345-7827 had 43 contacts.

77. DAVIS' telephone (414) 403-8055 has a service provider of Verizon Cellular, similar to DAVIS's two previously disconnected telephones, (262) 888-0716 and (262) 888-3327.

78. On November 28, 2022, Magistrate Judge Nancy Joseph authorized the electronic surveillance of DAVIS' telephone (414) 403-8055. Case agents served the warrant on Verizon Cellular and learned that DAVIS' telephone (414) 403-8055 no longer active.

79. Case agents learned from subscriber information related to numbers associated with DAVIS' previous telephone numbers, that the numbers shared the same IMEI number of 350879900298541 and IMSI number 311480680692996. The IMEI number in the International

Mobile Equipment Identity which is a unique 15-digit code that precisely identifies the device with the SIM card input. The IMSI number is the International Mobile Subscriber Identifier which is a number of 14-15 digits and identifies a mobile subscriber by their SIM card. Based on this information, it appeared DAVIS was changing his number but using the same SIM card. Case agents know through training and experience that drug traffickers often change their telephone number to evade law enforcement but will keep the same cellular device.

80. In December 2022, case agents review phone tolls from the drug customer line (414) 750-2464 and DAVIS' previous telephones (262) 888-3327 and (414) 403-8055. These phone records helped case agents develop DAVIS' number (262) 278-2746, which had IMEI number of 350879900298541 and IMSI number 311480680692996.

81. Based on prior court authorized electronic surveillance of DAVIS' new number, (262) 278-2746 with IMEI number of 350879900298541 and IMSI number 311480680692996, appeared to have similar past frequency reports to the DTO's drug customer telephone (414) 750-2464, as DAVIS's prior numbers did. Also, case agents observed the DTO's drug customer telephone (414) 750-2464 was not receiving contacts from any of DAVIS' prior numbers. Case agents checked the subscriber information on DAVIS' telephone (262) 278-2746 and found the service provider was Verizon Cellular. This is the same as previous telephone numbers possessed by DAVIS. The subscriber information also indicated (262) 278-2746 showed the IMEI number 350879900298541 and IMSI number 311480680692996. These identifiers match DAVIS' prior telephones (262) 888-3327 and (414) 403-8055.

82. During a review of call detailed records for the DTO's drug customer telephone (414) 750-2464 case agents found (262) 278-2746 made 30 contacts with the DTO's drug customer telephone (414) 750-2464 between December 1, 2022 and December 13, 2022.

83. Upon review of call detail reports related to DAVIS' telephone (262) 278-2746 case agents found many of the top contacts to be the same as DAVIS's prior telephones (262) 888-3327 and (414) 403-8055. Several contacts that stick out were "Paney Parker" who is known to be DAVIS girlfriend. Two other contacts that stick out are Tywan Davis who case agents know to be DAVIS brother and Peggy Ware who case agents know to be DAVIS mother.

84. On December 27, 2022, Magistrate Judge William E. Duffin authorized the electronic surveillance of DAVIS' telephone (262) 278-2746, with IMEI number 350879900298541 and IMSI number 311480680692996. Case agents served the warrant on Verizon Cellular on December 29, 2022. Case agents were notified that DAVIS' telephone (262) 278-2746 was no longer active.

85. Even though DAVIS' telephone (262) 278-2746 was disconnected, case agents were able to obtain historical data regarding this number. Based on historical data obtained from the federal search warrant, case agent determined DAVIS' telephone (262) 278-2746 was disconnected on December 27, 2022. Between November 1, 2022, to December 27, 2022, DAVIS' telephone (262) 278-2746 communicated with the DTO's drug customer telephone (414) 750-2464 277 times. Case agents observed that DAVIS's telephone (262) 278-2746 communicated with the DTO's drug customer telephone (414) 750-2464 on December 18, 2022, and then again on December 21, 2022, the day following the undercover control buy with PINKARD.

86. As noted, based on my training and experience, this frequent changing of telephone numbers is consistent with a drug trafficker's attempt to evade law enforcement.

87. On January 17, 2023, Magistrate Judge Nancy Joseph authorized the electronic surveillance of DAVIS' telephone IMSI number 311480680692996 (23-832M) and a pen-trap device (App. No. 15281). Case agents served the search warrant on the Services Provider, Verizon

Cellular. Following the execution of the search warrant, case agents identified phone number 262-722-3925 was issued for the phone with IMSI number 311480680692996.

88. Once DAVIS' telephone (262) 722-3925 was identified, case agents reviewed call detail records of DTO's drug customer phone (414) 750-2464 during the time of the undercover controlled drug transaction with PINAKRD on December 20, 2022. Case agents observed that the DTO's drug customer phone (414) 750-2464 was in contact with DAVIS' telephone IMSI number 311480680692996/262-722-3925 on December 19, 2022, and December 20, 2022, the day before and after the undercover control by with PINKARD.

b. GRAHAM's Telephone (414) 345-7827

89. As part of the investigation into the DTO, case agents reviewed call detail records between December 11, 2021, and January 28, 2022, from DAVIS' previous telephone (262) 888-0716. DAVIS's previous telephone (262) 888-0716 was used to set up the controlled drug transactions on January 14, 2022, and January 27, 20022. Between December 11, 2021, and January 28, 2022, DAVIS contacted (414) 840-9759, the DTO's old drug telephone provided by GRAHAM during the undercover controlled buy on January 27, 2022, 184 times. Further case agents observed DAVIS's previous telephone (262) 888-0716 contacted GRAHAM's telephone (414) 345-7827, 140 times between this time frame. Case agents also reviewed call detail records between DAVIS' previous number (262) 888-3327 and found 171 contacts with (414) 345-7827 between February 12, 2022, and June 18, 2022. Also, between August 26, 2022, and October 30, 2022, DAVIS's telephone (414) 403-8055 and GRAHAM's telephone (414) 345-7827 had 43 contacts.

90. GRAHAM's telephone number (414) 345-7827 has a service provider of Verizon Cellular.

91. Case agents also reviewed a law enforcement database and located (414) 345-7827 being a telephone number used by GRAHAM.

92. Also, on January 27, 2022, prior to the undercover controlled buy, case agents observed DAVIS and GRAHAM enter Educators Credit Union located at 6131 West Center Street, Milwaukee, WI. DAVIS was driving the same black Ford Fusion rental with Florida license plate 88ABGR which DAVIS and GRAHAM used during the controlled buy. Case agents obtained a federal subpoena for records from Educator Credit Union regarding DAVIS and GRAHAM. Educator Credit Union had an account for GRAHAM in which GRAHAM listed his telephone number (414) 345-7827.

c. PINKARD's Telephone (414) 748-5568

93. As part of the investigation into the DTO, case agents determine PINKARD had another telephone number, besides the DTO's drug customer telephones (414) 840-9759, (414) 587-6004 and (414) 750-2464.

94. Case agents reviewed call detail records of the DTO's drug customer telephone (414) 840-9759, which had 56 contacts to telephone (414) 748-5568 between December 9, 2021, and March 1, 2022.

95. Case agents reviewed call detail records between (414) 748-5568 and the DTO's drug customer telephone (414) 587-6004 and observed 28 contacts between March 15, 2022, and July 5, 2022.

96. Case agents reviewed call detail records between the DTO's newest drug customer telephone (414) 750-2464. Between July 5, 2022, and October 5, 2022, the DTO's newest drug customer telephone (414) 750-2464 had 42 contacts with PINKARD's telephone (414) 748-5568.

97. Case agents used a law enforcement database which indicated (414) 748-5568 was a number associated with Juiquin PINKARD. Case agents review phone records for (414) 748-

5568, which indicated the service provider as AT&T. Further A&T records indicated the subscriber was Quan PINKARD at 5831 North 62nd Street, Milwaukee, WI 53218. PINKARD has a listed address of 5831 North 62nd Street, Milwaukee, WI 53218 with Wisconsin DOT.

d. DOUGHTY'S Telephone (414) 719-1574

98. As part of the investigation in to the DTO, case agents reviewed call detail records to determine DOUGHTY'S telephone number. Case agents developed (414) 719-1574 based on the controlled buy on March 24, 2022. During the controlled buy on March 24, 2022, a review of call detail records showed (414) 719-1574 contacted PINKARD's telephone (414) 748-5568 five times within 45 minutes preceding the controlled buy. DOUGHTY and Haramis were also observed exiting PINKARD's residence of **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION- 1)** following the undercover controlled drug buy on June 9, 2022.

99. Case agents reviewed call detail records between (414) 719-1574 and the DTO's drug customer telephone (414) 587-6004 and observed seven contacts between May 9, 2022, and July 5, 2022.

100. Case agents reviewed a law enforcement database regarding DOUGHTY and found (414) 719-1574 was a number associated with DOUGHTY.

e. HARAMIS' Telephone (224) 601-4290

101. As part of the investigation into the DTO, case agents reviewed call detail records to determine Haramis was using telephone (224) 601-4290.

102. During the review of call detail records of the DTO's drug customer telephone (414) 587-6004, case agents found (224) 601-4290 was regularly one of the top contacts for the telephone. Case agents reviewed the call detail records between the DTO's drug customer telephone (414) 587-6004 and (224) 601-4290 and observed 528 contacts between March 16, 2022, and June 22, 2022.

103. Case agents reviewed the call detail records for the controlled buy on March 24, 2022. At 8:28 a.m. the DTO's drug customer telephone (414) 587-6004 contacted Haramis' telephone (224) 601-4290. UC called the DTO's drug customer telephone (414) 587-6004 at 9:28 a.m. Originally PINKARD stated the DTO could not meet with UC in Racine, Wisconsin; however, around 11:30 a.m. PINKARD reached back out to UC and said the deal could happen in Racine, but it needed to happen right away. Just prior to 11:30 a.m. the DTO's drug customer telephone (414) 587-6004 was in contact with DAVIS' telephone (262) 888-3327 three times, GRAHAM's telephone (414) 345-7827 five times and Haramis' telephone (224) 601-4290 two times. After 11:30 a.m. and after the deal was scheduled, Haramis' telephone (224) 601-4290 and the DTO's drug customer telephone (414) 587-6004 had eight contacts, while the DTO was supposed to be heading to meet UC. This was between 11:38 a.m. and 12:50 p.m. After 12:50 p.m. PINKARD's telephone (414) 748-5568 contacted DOUGHTY's telephone (414) 719-1574 five times. Haramis' telephone (224) 601-4290 and DOUGHTY's telephone (414) 719-1574 made 41 contacts on March 24, 2022, between 10:09 a.m. and 1:53 p.m., 18 voice calls and 23 text messages. Between 12:20 p.m. and 1:53 p.m. DOUGHTY's telephone (414) 719-1574 did not have any contact with Haramis but five contacts with PINKARD's telephone (414) 748-5568.

104. Case agents reviewed a law enforcement database and confirmed (224) 601-4290 was a number associated with Haramis. Phone records show (224) 601-4290 is a prepaid phone.

f. Drug Customer Telephones (414) 840-9759, (414) 587-6004 and (414) 750-2464

105. During the investigation the DTO continually changed the drug customer telephone every several months. During the investigation the DTO used three different drug customer telephones. Based on my training and experience, this is a common method used by a DTO to evade law enforcement efforts in using electronic surveillance or other investigate technique to

identify co-conspirators or the DTO members' residences, stash locations and/or modes of operations.

106. During the undercover controlled buy on January 27, 2022, with GRAHAM and DAVIS, GRAHAM provided telephone (414) 840-9759 to UC for future controlled buys. The telephone remained active, and UC conducted controlled buys from the DTO's drug customer telephone (414) 840-9759 on February 10, 2022 and February 24, 2022. On March 1, 2022, the DTO's drug customer telephone (414) 840-9759 notified that the number would be dropped, and drug customers were to use the DTO's drug customer telephone (414) 587-6004. Starting on March 4, 2022, the DTO's drug customer telephone (414) 587-6004 was used to communicate with the DTO to conduct controlled buys, which included the undercover controlled buys on March 24, 2022 and June 9, 2022. Case agents conducted court authorized electronic surveillance of the DTO's drug customer telephone (414) 587-6004. During the time of the monitoring of the court authorized electronic surveillance, the DTO's drug customer telephone (414) 587-6004 was regularly at PINAKRD's residence of **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** overnight.

107. On July 5, 2022, the DTO's texted messaged UC using (414) 750-2464 and indicated (414) 750-2464 was the DTO's newest drug customer telephone.

108. On October 21, 2022, the DTO again reached out to UC using the DTO's newest drug customer telephone (414) 750-2464. The DTO text messaged UC "better work better numbers." UC responded, "ok ok what we look like for the same car as before". The DTO then texted, "60 now." Based on my training and experience, the term "work" is used by drug traffickers as slang for heroin. Further, UC and PINKARD, when using the DTO's drug customer telephones, would usually discussed the controlled substances using the code word "car." Based

on this message, case agents believed the DTO's drug costumer telephone (414) 750-2464 was still active and being used to conduct illegal drug transactions.

109. On December 3, 2022, UC texted the DTO's drug costumer telephone (414) 750-2464 to arrange the control buy for December 20, 2022. DTO texted, "Yo if u still interested in test driving that car give me a heads up before you come." Based on prior communication, this message was consistent with PINKARD using the DTO's drug costumer telephone (414) 750-2464. On December 20, 2022, PINKARD used the DTO's drug costumer telephone (414) 750-2464 to conduct the undercover controlled drug transaction of 26 grams of fentanyl.

110. On December 27, 2022, Magistrate Judge William E. Duffin authorized the electronic surveillance of the DTO's drug customer telephone 414-750-2464. Case agents served the warrant on US Cellular. Information obtained from physical and electric surveillance demonstrates PINKARD's ongoing involvement in drug trafficking.

111. UC has continued to message the DTO's drug costumer telephone (414) 750-2464 regarding possible future drug transactions. On February 8, 2023 UC texted the DTO's drug costumer telephone (414) 750-2464 to arrange another controlled drug transaction:

UC: Yooo

DTO: Yow hats the word

UC: Ima prolly need you like next week if shit still good

DTO: Fasho

UC: Go back to the bigger cars

DTO: Ok

112. Case agents reviewed a databased which indicated (414) 750-2464 had a service provider of US Cellular. US Cellular was also the service provider for the DTO's previous drug customer telephones (414) 840-9759 and (414) 587-6004.

g. Additional call detail records between members of the DTO

113. Case agents reviewed call detail records of DAVIS' previous telephone (262) 888-3327, PINKARD's cellular telephone (414) 748-5568, GRAHAM's cellular telephone (414) 345-

7827 and DAVIS's DTO's previous drug customer phone (414) 587-6004 during the time frame of March 28, 2022, and April 11, 2022.

114. Between March 28, 2022, and April 11, 2022, DAVIS' previous telephone (262) 888-3327 contacted the DTO's previous drug customer telephone (414) 587-6004 32 times, GRAHAM's telephone (414) 345-7827 22 times and had zero contacts with PINKARD's telephone (414) 748-5568.

115. Between March 28, 2022, and April 11, 2022, PINKARD's phone (414) 748-5568 contacted the DTO's drug customer telephone (414) 587-6004 5 times. PINKARD's telephone (414) 748-5568 had zero contacts with DAVIS' previous telephone (262) 888-3327 and zero contacts with GRAHAM's telephone (414) 345-7827 during this time frame. Based on this information, and the undercover controlled buys occurring during this time, case agents believed PINKARD was running and delivering the controlled substances for the DTO.

116. Between March 28, 2022, and April 11, 2022, GRAHAM's telephone (414) 345-7827 continued to contact DAVIS' previous telephone (262) 888-3327 22 times but has zero contacts with PINKARD's telephone (414) 748-5568 or the DTO's previous drug customer telephone (414) 587-6004. Case agents believe it is possible that GRAHAM recently added another number to communicate with PINKARD and the DTO's previous drug customer phone as prior phone records show GRAHAM was having contact with PINKARD and the DTO's drug customer phone. Regardless, GRAHAM continued his contract with DAVIS over this period.

D. USE OF RENTAL VEHICLES BY THE DTO

117. During the course of the investigation the DTO has continually used rental vehicles to conduct illegal business. Case agents developed Marquist Davis and GRAHAM as individuals renting vehicles for the DTO. During the investigation the DTO has used more than seven different rental vehicles dating back to mid-January 2022. The vehicles are being rented from Avis / Budget

rental car company. Based on my training and experience, DTO's often use rental vehicle to disassociate their identity with the vehicle. The rental vehicles are often rented by a person who does not use the vehicle. This is done for multiple reasons. When conducting illegal activities in a rental vehicle the person involved can flee and elude police without their identity being known. Also, if contraband or illegal items are located inside of the rental vehicle the person is able to deny ownership or knowledge of the contraband and or illegal items.

118. Below is a list of known rental vehicles used by the DTO and the locations the rentals were observed during the investigation into the DTO:

a. **4458 North 67th Street, Milwaukee**

119. Around January 24, 2022, until January 31, 2022, GRAHAM rented a black 2020 Ford Fusion. Case agents observed DAVIS as the primarily driver of this rental. The rental was used by DAVIS during the controlled buy on January 27, 2022. This rental was regularly parked at 4458 North 67th Street, Milwaukee.

120. Around February 28, 2022, until April 13, 2022 GRAHAM rented a red Mazda 6. Case agents observed DAVIS driving this rental and the rental was regularly parked at 4458 North 67th Street, Milwaukee.

121. Around April 13, 2022, until May 5, 2022, GRAHM rented a white 2021 Chevrolet Malibu. Case agents have observed DAVIS driving this rental. The rental was regularly parked at 4458 North 67th Street, Milwaukee.

122. On May 5, 2022, until June 4, 20222021 GRAHAM rented a black Honda Accord. Case agents observed DAVIS as the primary driver of this rental. The rental was regularly parked at 4458 North 67th Street, Milwaukee.

123. On June 4, 2022 until July 5, 2022, GRAHAM rented a grey 2021 Jeep Compass. Case agents observed DAVIS as the primary driver of this rental. The rental was regularly parked at 4458 North 67th Street, Milwaukee.

124. On August 1, 2022, until September 6, 2022, GRAHAM rented a blue 2021 Jeep Cherokee. Case agent observed DAVIS as the primary driver of this rental. The rental was regularly parked at 4458 North 67th Street, Milwaukee.

125. On September 4, 2022, until September 9, 2022, GRAHAM rented a maroon 2021 Toyota Corolla. Case agents observed DAVIS as the primary driver of this rental. The rental was regularly parked at 4458 North 67th Street, Milwaukee.

b. 2028 North 31st Street, Milwaukee, WI

126. Around January 27, 2022, until February 9, 2022, GRAHAM rented a silver 2021 Honda Accord. Case agents observed PINKARD and DAVIS drive this rental. This rental was used by PINKARD for counter surveillance during the controlled buy on January 27, 2022. On January 28, 2022, DAVIS was stopped in the vehicle and arrested on drug related charges in Racine County. During this incident DAVIS provide law enforcement and the court system an address of 2030 North 31st Street, Milwaukee, Wisconsin, which has been determined to actually be 2028 North 31st Street, Milwaukee, WI.

c. 4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)

127. On February 7, 2022, until around March 9, 2022, Marquist Davis rented a silver 2021 Volkswagen Jetta, silver. Case agents observed PINKARD driving this rental. The rental was used by PINKARD during controlled buys on February 10, 2022, and February 24, 2022. Vehicle was regularly parked at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION - 1).**

128. Around April 12, 2022, until around May 12, 2022, Marquist Davis rented a grey 2021 Nissan Altima. Case agents observed PINKARD operating the rental during the rental period. The rental was regularly parked at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION - 1)**.

129. On May 12, 2022, until June 12, 2022, PINKARD rented a black 2021 Honda CRV. Case agents observed PINKARD operating the rental on a regular basis during the rental period. The rental was regularly parked at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION - 1)**.

130. On June 12, 2022, until August 13, 2022, PINKARD rented a silver 2021 Mazda CX5. Case agents observed PINKARD operating the rental on a regular basis during the rental period. The rental was regularly parked at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION - 1)**.

131. On August 13, 2022, PINKARD rented a black 2021 Toyota Camry, which was due back October 22, 2022; however, case agents observed PINKARD operating the vehicle after the return date. Case agents observed PINKARD operating the rental on a regular basis during the rental period. The rental was also regularly parked at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION - 1)**.

d. 3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)

132. On August 13, 2022, PINKARD rented a black 2021 Toyota Camry, which was due back October 22, 2022; however, case agents observed PINKARD operating the vehicle after the return date. On October 31, 2022, case agents observed the Toyota Camry parked in the driveway of **3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)**. Case agents observed PINKARD leave **3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)** by himself in the Toyota Camry in the early afternoon hours.

e. 5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)

133. Around March 9, 2022, until April 12, 2022, Marquist Davis rented a blue 2021 Hyundai Elantra, blue. Case agents observed PINKARD operating the rental on multiple occasions during the rented timeframe. During surveillance of PINKARD in the month of March 2022, case agents observed him parked in front of **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** with the Hyundai sedan on several occasions.

f. Additional Rentals

134. On July 5, 2022, until August 1, 2022, GRAHAM rented a red 2018 Ford Escape. Case agents believe DAVIS was the primary driver of this vehicle, based on the pattern of miles put on the rental. Upon return of the vehicle, Avis records noted approximately 5000 miles were placed on this vehicle. This is similar to the other rentals GRAHAM would get and then DAVIS would drive.

135. On September 5, 2022, until October 7, 2022, GRAHAM rented a white 2019 Volkswagen Tiguan. Case agents believe DAVIS was the primary driver of this vehicle, based on the pattern of miles put on the rental. Upon return of the vehicle, Avis records noted approximately 5000 miles were placed on this vehicle. This is similar to the other rentals GRAHAM would get and then DAVIS would drive.

136. Upon review of records recovered from Avis / Budget rental company case agents learned the vehicles rented by GRAHAM on DAVIS' behalf cost approximately \$12000.00 dating from December 2021 until September 2022. Further, many of the rentals operated by DAVIS, DAVIS would put approximately 5000 miles on the vehicle per month which appears to be high according to the rental company. The rental vehicles operated by PINKARD which were rented by PINKARD himself and Marquist DAVIS cost approximately \$6000.00 dating from March 2022 until October 2022. Many of PINKARD's rental vehicles had excessive miles as it relates to the

average person renting the vehicles per the rental company. I know through my training and experience that drug traffickers who use rental vehicles often log large amounts of miles based on driving to meet their source of supply which is often out of town or out of state for the traffickers. Alternatively, drug traffickers using rental vehicles will also have excessive miles due to daily travel to meet drug customers and to drive between locations in which the DTO's controlled substance or other tools of the DTO are being stored.

E. DTO'S DRUG PROCEEDS

137. During this investigation case agents determined GRAHAM was using an account at Educator's Credit Union to deposit the DTO's drug proceeds. GRAHAM would then use this account to pay for the rental DAVIS would use. Case agents also learned DAVIS made several trips to Potawatomi Casino. Based on the investigation, case agents determined DAVIS was attempting to launder drug proceeds at the Casino.

a. 3057A North 52nd Street, Milwaukee, WI

138. Case agents observed GRAHAM using an ATM machine at Educator's Credit Union on multiple occasions. Present during some of these transactions with GRAHAM was PINKARD or DAVIS. Based on the observation case agents subpoenaed Educator's Credit Union records for GRAHAM. GRAHAM held an account at Educator's Credit Union which listed his home address of 3057A North 52nd Street, Milwaukee, WI, and telephone number of (414) 345-7827. In review of the records case agents did not locate any payroll deposits into this account held by GRAHAM. Instead, case agents observed that the account is used for cash deposits that occur near in time to GRAHAM renting vehicles for DAVIS, withdrawals to car rental companies, and withdrawals at ATMs at Potawatomi Casino. Based on this information and the physical surveillance which showed the DTO sharing rental vehicles, case agents believe that DAVIS

and/or PINKARD are providing GRAHAM with cash from drug proceeds. In return GRAHAM is depositing the cash and renting the vehicles for DAVIS and PINKARD.

139. On December 24, 2021, GRAHAM deposited \$1,180.00 in cash. The deposit consisted of 59 \$20 bills. GRAHAM was with DAVIS and DAVIS was driving the vehicle. Unfortunately, due to the surveillance video of this deposit, case agents were not able to identify the details of the vehicle.

140. On January 24, 2022, GRAHAM deposited \$2,100.00 in cash which consisted of 2 \$10 bills, 79 \$20 bills, and 5 \$100 bills. GRAHAM was by himself for this deposit. On this same day, GRAHAM rented the black Ford Fusion with Florida plates 88ABGR for \$588.59. This Ford Fusion was driven by GRAHAM with DAVIS as his passenger during the undercover controlled drug transaction on January 27, 2022.

141. On January 27, 2022, GRAHAM deposited \$900.00 in cash. The deposit consisted of 4 \$5 bills, 4 \$10 bills, and 42 \$20 bills. GRAHAM drove a black Ford Fusion for this deposit and PINKARD was his passenger. Case agents observed the deposit during surveillance on this day. On this same day, GRAHAM rented a silver Honda Accord with Illinois plates CU21390. The rental was for \$1,199.55. On January 27, 2022, PINKARD used this rental vehicle as counter surveillance during the undercover controlled drug transaction. The silver Honda with Illinois registration CU 21390 was also the vehicle DAVIS was arrested in on January 28, 2022.

142. On February 28, 2022, GRAHAM deposited \$1,200.00 in cash. The deposit consisted of 60 \$20 bills. GRAHAM was in the passenger seat and DAVIS was driving. On this same day GRAHAM rented the red Mazda with Illinois plates CB70027. Unfortunately, there was no rental amount list for this rental agreement.

143. On May 2, 2022, GRAHAM made two cash deposits totaling \$1,200.00 into his account of Educator's Credit Union. On May 4, 2022, GRAHAM deposited \$1,100.00 in cash.

Case agents reviewed Avis / Budget Rent a Car records and found GRAHAM made a payment to Budget Rent a Car on May 3, 2022 for \$1,164.78. GRAHAM made a second payment of \$1,382.52 on May 5, 2022. Educator's Credit Union records reflected a debit card withdrawal from GRAHAM'S account in the amount \$1164.78 paid on May 3, 2022 to Budget Rent a Car.

b. Player's Card

144. During the month of March 2022 case agents conducted surveillance of DAVIS and learned DAVIS spent time at Potawatomi Casino. Case agents learned DAVIS holds a player's card. Case agents review the records of DAVIS player's card and found between January 1, 2022 and March 27, 2022 DAVIS used approximately \$120,000 on his player's card. Between March 29, 2022 and June 27, 2022, DAVIS used approximately \$400,000 on his player's card. Between June 27, 2022 and September 12, 2022, DAVIS used approximately \$480,000 on his player's card. The total amount spent between June 1, 2022 and September 12, 2022 on DAVIS' player card was just under one million dollars. Based on my training and experience, I know that members of DTO will use drug proceeds at casinos, in an attempt to make the fund appear legally obtained, as known as "laundering" the drug proceeds.

145. During the month of May 2022, case agents spoke to the CS regarding DAVIS. During the conversation with the CS, he/she stated DAVIS was still actively trafficking controlled substances. Further, the CS saw DAVIS in possession of a large amount of United States currency. The CS told case agents, based on past experience with DAVIS and observations of amounts of United States currency possessed by DAVIS in the past, she/he believed the amount of cash possessed by DAVIS was in excess of \$14,000.

F. FURTHER SURVEILLANCE OF DTO MEMBERS

a. 4458 North 67th Street, Milwaukee

146. On January 24, 2022, GRAHAM rented a Ford Fusion from Avis Rental. The Ford Fusion rental was used in the undercover controlled buy on January 27, 2022, with GRAHAM and DAVIS, when PINKARD was conducting surveillance. GRAHAM was driving the vehicle during the operation with DAVIS as a passenger. During the investigation the Ford was parked at 4458 North 67th Street, Milwaukee overnight on several occasions when case agents checked the address. Based on the Ford Fusion rental vehicle being located overnight case agents believe 4458 North 67th Street, Milwaukee was the residence of DAVIS. Case agents later confirmed this belief through electronic surveillance, which indicated DAVIS' telephone (262) 888-3327 was regularly located at 4458 North 67th Street, Milwaukee overnight.

147. On February 28, 2022, GRAHAM rented another vehicle from Avis Rental, a red Mazda 6 as part of the DTO's ongoing drug operations. Case agents observed the DAVIS' Mazda parked on a regular basis during early morning hours and overnight at 4458 North 67th Street, Milwaukee. Case agents observed DAVIS operating the vehicle. For example, on March 2, 2022, at 7:30 a.m., case agents conducted surveillance on 4458 North 67th Street, Milwaukee. At approximately 10:30 a.m. case agents observed DAVIS leave the residence and enter the Mazda 6.

148. During the month of March 2022 DAVIS was operating a red 2021 Mazda 6 with Illinois license plate CB70027. The vehicle was parked regularly at 4458 North 67th Street, Milwaukee which is DAVIS' residence. The vehicle was an Avis rental which was rented by GRAHAM.

149. On March 29, 2022, five days following the undercover controlled buy for 100 grams of fentanyl with PINKARD and DOUGHTY, case agents were monitoring call detail records and court authorized electronic surveillance for DAVIS' previous telephone (262) 888-3327, PINKARD'S telephone (414) 748-5568 and the DTO's previous drug customer phone (414) 587-6004. In the afternoon PINKARD contacted DAVIS. At this time PINKARD was at DAVIS'

residence of 4458 North 67th Street, Milwaukee, WI. Approximately ten minutes after the phone call, case agents observed DAVIS arrive at his residence, 4458 North 67th Street, Milwaukee, WI. Both DAVIS and PINKARD entered 4458 North 67th Street, Milwaukee, WI. After only a couple minutes PINKARD exited the residence with a plastic grocery type bag. PINKARD entered his 2021 Hyundai Elantra rental vehicle and left the area. Based on my training, experience, and the investigation into the DTO, the conducted observed by case agents was consistent with PINKARD obtained controlled substances from DAVIS.

150. On April 9, 2022, case agents were monitoring call detail records and court authorized electronic surveillance of GRAHAM's telephone (414) 345-7827 and DAVIS' previous telephone (262) 888-3327. GRAHAM's telephone (414) 345-7827 contacted DAVIS' previous telephone (262) 888-3327, while GRAHAM's telephone (414) 345-7827 was at DAVIS's residence, 4458 North 67th Street, Milwaukee, WI. DAVIS' previous telephone (262) 888-3327 was in Watertown, WI at this time. After the contact GRAHAM left DAVIS's residence, 4458 North 67th Street, Milwaukee, WI, and returned to his residence at 3057A North 52nd Street, Milwaukee, WI.

151. On September 6, 2022, case agents conducted surveillance at DAVIS' residence, 4458 North 67th Street, Milwaukee, WI. At approximately 12:36 p.m. case agents observed DAVIS arrive at 4458 North 67th Street, Milwaukee, WI operating a red 2021 Toyota Corolla with Florida registration JKHE63. The vehicle was registered to PV Holding which is the company associated with Avis / Budget Rent a Car and was rented by GRAHAM. DAVIS parked the vehicle in the driveway of 4458 North 67th Street, Milwaukee, WI and enter the side door on the south side.

152. In December 2022, case agents conducted surveillance of 4458 North 67th Street, Milwaukee, WI. Case agents have not observed DAVIS at this location since before early

December 2022. Case agents have also not observed any vehicles, personal or rental, that are connected with DAVIS or his associates at 4458 North 67th Street, Milwaukee, WI either. d. 3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATOIN 2)

166. During the investigation case agents learned through electronical and physical surveillance PINKARD was frequently at a residence in the 3000 block of North 55th Street. On June 13, 2022, case agents observed PINKARD'S 2021 Mazda CX5 rental vehicle parked in the driveway to **3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION –**

167. Case agents reviewed Milwaukee City Assessor website that indicated the property is a duplex owned by Michael Payton since February 13, 2002. Case agents obtained energy bill records for the duplex, and Michael Payton was listed on the billing for **3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)**. Case agents reviewed Wisconsin Circuit Court Access and located several matters involving Michael Payton. In Milwaukee County Case 2016CV885 and 2012CV002718, Michael Payton provided an address of 3029 North 55th Street, Milwaukee, WI. Case agents conducted surveillance of **3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)** and observed a male, later identified as Michael Payton through a Wisconsin DOT photo, entering the residence through the front door. e. 3057A North 52nd Street, Milwaukee, WI

172. As previously noted, on April 9, 2022, case agents were monitoring call detail records and court authorized electronic surveillance of GRAHAM's telephone (414) 345-7827 and DAVIS' previous telephone (262) 888-3327. GRAHAM's telephone (414) 345-7827 contacted DAVIS' previous telephone (262) 888-3327, while GRAHAM's telephone (414) 345-7827 was at DAVIS's residence, 4458 North 67th Street, Milwaukee. DAVIS' previous telephone (262) 888-3327 was in Watertown, Wisconsin at this time. After the contact GRAHAM left DAVIS's residence, 4458 North 67th Street, Milwaukee, and returned to his residence at 3057A North 52nd Street, Milwaukee, WI.

f. 5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)

173. During the month of March 2022 case agents determined PINKARD was driving a blue 2021 Hyundai sedan, with Minnesota license plates of FXV585. As notes previously, the vehicle was rented by Marquist Davis. Marquist Davis listed an address of 5251 North 45th Street, Milwaukee, WI. Based on the investigation, case agents believed Marquist Davis provided an incorrect address and the true address is **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**. Based on my training and experience, members of a DTO may provide false addresses in order to evade law enforcement. Case agents believe the correct address is **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** based on the surveillance of PINKARD, which had him parked in front of **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** with the Hyundai sedan on several occasions in the month of March 2022.

174. Also, court authorized GPS trackers in May 2022 and June 2022 of rental vehicles operated by PINKARD, placed PINKARD at **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** daily, but not overnight. Also **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** is in the area of the controlled buys that occurred on February 10, 2022, and February 24, 2022.

175. On March 29, 2022, case agents conducted a garbage pull from the residence at **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**. Case agents located multiple sandwich baggies with the corners missing. Based on my training and experience the ripped plastic baggies are consistent with remains from corner cuts. More specially, DTOs commonly packages drugs into small plastic baggies to sell and then ripping the top of the plastic baggy while tying off the drug and packaging, discarding the unused portion of the baggie. Also located during the garbage pull of **5251 North 48th Street, Milwaukee, WI (TARGET**

LOCATION – 3) were identifiers on CVS prescription paperwork to the last name of PINKARD at the address.

g. 2720 East Edgerton Avenue Apartment #6, Cudahy, WI

176. On March 24, 2022, after completion of the controlled buy, DOUGHTY left the area and returned to Milwaukee in the area near 2720 East Edgerton Avenue, Apartment 6, Cudahy, WI. After identifying DOUGHTY, case agents review a law enforcement database which indicated DOUGHTY's residence as 2720 East Edgerton Avenue, Apartment 6, Cudahy, WI. Case agents also observed the 2009 Audi parked in front of DOUGHTY's residence, 2720 East Edgerton Avenue Apartment #6, Cudahy, WI, on a regular basis during this investigation.

177. Also, as noted above, on August 8, 2022, case agents observed DOUGHTY's 2009 Audi A4 with Wisconsin license plate AMK3977 parked in front of PINKARD's residence of 4711 North 89th Street, Milwaukee, WI.

G. COURT AUTHORIZED GPS SURVEILLANCE OF DTO

178. During the investigation into this DTO, case agents attempted to conduct surveillance of the DTO and associated vehicles with the use of court authorized electronic surveillance. Due to the delay in receiving the information the vehicles and/or persons were often in a different location by the time case agents made it to the area. Court authorized GPS tracking on vehicles allowed case agents to have live accurate location information of the vehicles involved in the criminal active. It also helped identify the person operating and maintain the rental vehicle. This information helped case agents identify locations used by the DTO to store tools of their criminal operations including money, controlled substance, drug paraphernalia and sometimes weapons. Further it helped document travel pattern when going to and return from controlled buys and other locations associated with the DTO.

179. While conducting surveillance on the DTO, PINKARD and DAVIS were identified as the main individuals operating the rental vehicles. PINKARD and DAVIS both normally drove in a reckless manner making it difficult for case agents to follow. This style of driving is often used by criminals to elude criminal investigations and surveillance by law enforcement. Further, the DTO used counter-surveillance often. For example, on March 8, 2022, case agents were conducting surveillance on PINKARD and the rental Volkswagen Jetta. PINKARD observed law enforcements unmarked undercover vehicle and conducted evasive driving behaviors in an attempted to look into the vehicle. Case agents attempted to leave the area and PINKARD continued to follow. Based on my training and experience, PINKARD attempted to conduct counter surveillance for the DTO during this incident.

180. Given the tactics used by the DTO, case agents deployed a court authorized GPS unit on PINKARD's vehicles.

- a. **May 2, 2022, connections to 4458 North 67th Street, Milwaukee, 4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1), 3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2), 5251 North 48th Street, Milwaukee, WI (TARGE LOCATION – 3).**

181. Case agents reviewed data collected from May 2, 2022, of the court authorized GPS unit on PINKARD's 2021 Nissan Altima. Upon review of the data the Nissan Altima made excess of 23 stops between 7:50 a.m. and 8:54 p.m. At approximately 8:58 a.m. the Nissan Altima arrived at **3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)**. The 2021 Nissan Altima left the location several minutes later and traveled to DAVIS' residence, 4458 North 67th Street, Milwaukee. During this time telephone records show the DTO's previous drug customer phone (414) 587-6004 contacted DAVIS' previous telephone (262) 888-3327 before arriving and just after leaving 4458 North 67th Street, Milwaukee. Also, during this contact case agents observed DAVIS and PINKARD enter 4458 North 67th Street, Milwaukee around 9:20 a.m. Case agents observed PINKARD leave 4458 North 67th Street, Milwaukee carrying what appeared

to be a grocery bag. Similar to case agents' observations on March 29, 2022, PINKARD's and DAVIS' conduct and the carrying of the grocery bag is consistent with PINKARD obtain additional controlled substances from DAVIS for the DTO's drug customers. PINKARD returned to the 2021 Nissan Altima and left the area.

182. Also on May 2, 2022, PINKARD traveled directly to **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** arriving at approximately 10:11 a.m. PINKARD was at the location for approximately 20 minutes. PINKARD left **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** at approximately 10:21 a.m. and traveled back to **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**. During his travels to return home to **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**, PINKARD did not take the most direct route home. Based on my training, experience, and investigating into this DTO, PINKARD's non-direct route was consistent with attempts to evade law enforcement, especially given the interactions with law enforcements attempts to follow him on March 8, 2022. Based on my training, experience, and investigation into the DTO, PINKARD traveled in a manner that would help determine if he was being followed by law enforcement or possible another DTO's looking to conduct a home invasion to rob PINKARD of illegal drugs, money, or guns.

183. Further on May 2, 2022, at approximately 1:04 p.m. the Nissan Altima arrived back at **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**. The 202 Nissan Altima left the location after 5 minutes and traveled to **3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)**. After a brief stop at **3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)** the vehicle traveled to 4929 West Villard Street, Milwaukee, WI, which is a -. This location was used during the controlled buy on February 10, 2022. The Nissan Altima was at the gas station for 3 minutes and returned to **5251 North 48th**

Street, Milwaukee, WI (TARGET LOCATION – 3). During this time frame the DTO's previous drug customer telephone (414) 587-6004 was in contact with DAVIS's previous telephone (262) 888-3327. The Nissan Altima left **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** at approximately 1:35 p.m. and returned to **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1).**

184. Additionally on May 2, 2022, the 2021 Nissan Altima left **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** at approximately 5:30 p.m. and was in traffic until approximately 6:17 p.m. when the vehicle stopped in the area of South 12th Street and West Walker Street. During this stop the DTO's previous drug customer telephone (414) 587-6004 was in contact with Lane's telephone (414) 539-8708. The vehicle was at the location for a short period of time and traveled to **3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)** arriving at approximately 6:45 p.m. The Nissan Altima left **3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)** at approximately 8:06 p.m. After several stops the Nissan Altima returned to PINKARD's residence, **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1).** Based on my training and experience, high level drug traffickers at the end of the day often times drop off any illegal items in their possession such as, but not limited to, drugs, guns, money, and other tools of the trade at a location to protect the items from law enforcement investigation and rival DTO's looking to rob competitors.

- b. May 3, 2022, connections to 2028 North 31st Street, Milwaukee, WI, 4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1), 3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2), and 5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**

185. On May 3, 2022, during the monitoring of the court authorized GPS unit on PINKARD's Nissan Altima, case agents observed what they believed to be a drug transaction take place at approximately 9:50 a.m. at the Discount Quick Mart and Gas Station located at 8334 West Appleton Avenue with PINKARD.

186. During surveillance, PINKARD contacted an unidentified middle-aged male white. The unidentified male arrived at the gas station in what appeared to be a black Chevrolet Malibu approximately 5 minutes before PINKARD. Case agents were unable to obtain the registration on the Chevrolet Malibu during the contact. The contact lasted approximately 10 minutes. At no point did PINKARD purchase gas or merchandise from the store. Further, PINKARD never exited his Nissan Altima during the contact. PINKARD parked his Nissan Altima at the gas pumps in front of the black Chevrolet Malibu. Upon PINKARD's arrival the unidentified male contacted PINKARD and entered PINKARD's Nissan Altima. After approximately 5 minutes the unidentified male exited PINKARD's Nissan Altima, and both left the area. PINKARD returned to his residence at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** after the contact. Based on my training, experience, and investigation into the DTO, this activity is consistent with illegal drug transaction.

187. Case agents review the data collected from the court authorized GPS on the 2021 Nissan Altima being operated by PINKARD on May 3, 2022. Upon review of the data the vehicle made over 40 stops between 7:50 a.m. and 11:30 p.m. Further the data shows the 2021 Nissan Altima made multiple stops at locations known to the case agents. The 2021 Nissan Altima made 10 stops at gas stations in the Milwaukee, WI area during this time frame. The 2021 Nissan Altima made multiple stops at PINKARD's residence at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** during this time frame. The 2021 Nissan Altima made at least five stops in the area of **3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)** during this time frame. The 2021 Nissan Altima made multiple stops at **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** during this time frame. Case agents noted a stop at 2028 North 31st Street, Milwaukee, WI, the tire shop associated with DAVIS, at approximately 4:10 p.m. Case agents also reviewed court authorized electronic surveillance for

the time frame when PINKARD stopped at 2028 North 31st Street, Milwaukee, WI. Case agents learned the following cellular phones were also in the area of 2028 North 31st Street, Milwaukee, WI during this time frame: the DTO's previous drug customer telephone (414) 587-6004; GRAHAM's telephone (414) 345-7827; and DAVIS' previous telephone (262) 888-3327. During the investigation DAVIS has been observed at the location. Also, case agents conducted a controlled buy at the location on January 14, 2022.

188. Case agents believe the GPS unit on the 2021 Nissan Altima was dislodged from the vehicle on May 6, 2022, in the area of Sherman Park Boulevard and Wright Street. Broken parts from the GPS unit were located at the intersection.

- c. **May 12, 2022, connections to 4458 North 67th Street, Milwaukee, 4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1), 3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2), and 5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**

189. Case agents learned on May 12, 2022, PINKARD returned the 2021 Nissan Altima in exchange for a 2021 Honda CRV. Between May 12, 2022, and June 13, 2022, case agents observed the Honda CRV being operated and maintained by PINKARD. The Honda CRV was regularly parked at PINKARD's residence of **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1).**

190. Between May 12, 2022, and June 13, 2022, case agents deployed a court authorized GPS unit on PINKARD's 2021 Honda CRV. Case agents reviewed the data recovered from the GPS unit that was attached to the 2021 Honda CRV.

191. The review of the GPS data shows the 2021 Honda CRV was averaging approximately 23 stops per day between June 6, 2022, and June 13, 2022. During this time frame the GPS unit also document stops at multiple locations suspected to be used by the DTO. The GPS unit showed at least 30 stops at PINKARD's residence, **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1).** The GPS unit showed at least six stops to **5251 North 48th**

Street, Milwaukee, WI (TARGET LOCATION – 3). The GPS unit showed at least seven stops at DAVIS' residence, 4458 North 67th Street, Milwaukee. The GPS unit showed at least six stops at **3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2).** The GPS unit also showed multiple stops at gas stations in Milwaukee, WI, which is consistent with the DTO conducting drug transactions like the undercover drug buy with UC on February 10, 2022.

d. June 9, 2022, connections to 4458 North 67th Street, Milwaukee, 4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1), and 5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)

192. Case agents conducted a review of the GPS unit on the 2021 Honda CRV from June 9, 2022. On June 9, 2022, case agents conducted a controlled buy from the DTO. During this day the 2021 Honda CRV operated by PINKARD made several notable stops and electronic surveillance had several important contacts. Between 9:05 a.m. and 11:23 a.m. the DTO's previous drug customer telephone (414) 587-6004 was in contact with DAVIS' previous telephone (262) 888-3327 six times. Around 10:00 a.m. PINKARD traveled to 3803 South Brook Place in St. Francis, WI. This residence is associated with Haramis. During this time UC was making phone contact with the DTO's previous drug customer telephone (414) 587-6004. PINKARD was observed leaving the area by case agents. Due to erratic driving patterns by PINKARD case agents were unable to follow but monitored the GPS unit. The GPS unit showed PINKARD traveled to DAVIS' residence at 4458 North 67th Street, Milwaukee and arrived at 11:26 a.m., shortly after the last contact between the DTO's previous drug customer telephone (414) 587-6004 and DAVIS' previous telephone (262) 888-3327. Based on previous UC controlled buys PINKARD and DAVIS would have electronical and physical contact during the operation. PINKARD left 4458 North 67th Street, Milwaukee and traveled to **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3).** PINKARD was at the **5251 North 48th Street, Milwaukee, WI (TARGET**

LOCATION – 3) for approximately 10 minutes. PINKARD left **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** and returned to DAVIS’ residence, 4458 North 67th Street, Milwaukee at 12:16 p.m. PINKARD returned to his residence at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** during the time that the controlled buy was taking place with DOUGHTY. Case agents determined PINKARD coordinated the controlled buy with UC and DOUGHTY. Once the controlled buy was coordinated PINKARD coordinated with Haramis’ telephone (224) 601-4290 and DOUGHTY to transport the controlled substance. Between 11:40 a.m. and 11:39 p.m. the DTO’s previous drug customer telephone (414) 587-6004 was in contact with DAVIS’ previous telephone (262) 888-3327 ten times.

- e. **January 4, 2023, to February 4, 2023, connections to 4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1), 3029/3031 North 55th Street - lower, Milwaukee, WI (TARGET LOCATION – 3) and 5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**

193. Case agents conducted a review of the court authorized GPS unit on PINKARD’s Mazda CX which was installed on January 4, 2023. It is important to note that during the investigation, case agents have only observed PINKARD driving his Mazda CX. Information obtained from the GPS unit indicated PINKARD had numerous contacts with **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1), 3029/3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2), and 5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**. PINKARD’s contacts were consistent with past contacts of the **TARGET LOCATIONS**, while PINKARD has been engaged in drug trafficking. Based on the data reviewed it appeared between January 4, 2023, and January 23, 2023, PINKARD would usually stay overnight at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** or **3029/3031 North 55th Street - lower, Milwaukee, WI (TARGET LOCATION – 2)**. GPS data further indicated that PINKARD’s Mazda CX would frequent **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** various times of the day, but only stay for a few

minutes at a time. Besides the GPS data, case agents also conducted surveillance between December 27, 2022, and January 23, 2023 and have observed PINKARD at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**, **3029/3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)**, and **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**.

194. On January 5, 2023, between 2:25 p.m. and 2:34 p.m., case agents observed PINKARD's Mazda CX parked in the ally of **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**.

195. On January 7, 2023, case agents again observed PINKARD's Mazda CX at **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**. Between 8:30 p.m. and 8:47 p.m. PINKARD's Mazda CX was observed in the alley and then again between 5:53 p.m. and 8:55 p.m.

196. On January 8, 2023, between 3:40 p.m. and 4:06 p.m. PINKARD's Mazda CX was observed in the alley of **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**.

197. On January 12, 2023, case agents observed PINKARD leave the residence at **3029/3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)** two times and go directly to **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**.

198. Court authorized GPS data further demonstrated PINKARD's Mazda CX left **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**, **3029/3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)** and **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** and conducting suspected drug transactions or traveled to areas where PINKARD had previously engaged in drug transactions. Case agents used the GPS data and electronic surveillance in order to identify these suspected drug transactions.

199. On January 14, 2023, case agents were monitoring the court authorized electronic surveillance for the DTO's drug customer phone (414) 750-2464. The DTO's drug customer phone 414-750-2464 had contact with phone number (262) 416-2630 at 10:11a.m. At approximately 10:38 a.m. court authorized GPS surveillance indicated PINKARD's Mazda CX left **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** and traveled to the area of North 107th Street and West Greenwood Terrace. While in that area, the DTO's drug customer phone (414) 750-2464 had contact with (262) 416-2630 at 10:45 a.m. PINKARD's Mazda CX was in the area for a couple of minutes and then traveled back to **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** arriving at 10:58 a.m. Case agents used a law enforcement database to identify (262) 416-2630 as a number associated with Douglas L. Lemmer Jr. Case agents obtained a DOT photo of Lemmer and identified him as the person PINKARD appeared to conduct a suspected drug transaction just prior to the undercover drug transaction with UC on December 20, 2023. On December 20, 2023, Lemmer drove a truck that came back to AD Roofing in Lannon, Wisconsin. Case agents reviewed a database which indicated Lemmer's employer as AD Roofing. Case agents also reviewed Lemmer's criminal history which includes a cocaine conviction. Case agents reviewed call detail records and observed Lemmer's telephone (262) 416-2630 is one of the DTO's drug customer phone (414) 750-2464 top callers. Based on my training, experience, and investigation into this DTO, this activity observed on January 14, 2023, was consistent with a drug transaction. Case agents also observed PINKARD's Mazda CX at **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** on this date. Between 12:20 p.m. and 12:27 p.m. he was again parked in the alley of **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3).**

200. On January 17, 2023, case agents observed PINKARD's Mazda CX at **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3).** PINKARD's Mazda CX was parked

in the alley between 9:45 p.m. and 9:49 p.m. PINKARD traveled to the Citgo gas station on North 49th Street and West Villard Avenue, Milwaukee, Wisconsin. This is the same gas station PINKARD conducted the undercover controlled buy with UC on February 10, 2022. Following the short stop at the Citgo gas station, PINKARD traveled back to **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**. PINKARD's Mazda CX remained in the alley between 9:53 p.m. and 10:04 p.m.

201. Also on January 17, 2023, case agents monitored the electronic surveillance of the DTO's drug customer phone (414) 750-2464 and observed a contact with Lemmer's telephone (262) 416-2630 at 10:39 p.m. At this time PINKARD's Mazda CX was at **3029/3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)**. PINKARD's Mazda CX left and traveled to the area of North 107th Street and West Greenwood Terrace. The DTO's drug customer phone (414) 750-2464 contacted Lemmer's telephone (262) 416-2630 at 11:02 p.m. PINKARD's Mazda CX was in the area for a couple of minutes and then left. Case agents did not observe any more contact between the DTO's drug customer phone (414) 750-2464 and Lemmer's telephone (262) 416-2630 after the 11:02 p.m. call. PINKARD's Mazda CX drove to **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**, and was there for approximately three minutes. PINKARD's Mazda CX then traveled to **3029/3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)**.

202. On January 18, 2023, case agents were monitoring court authorized electronic surveillance of the DTO's drug customer phone (414)750-2464. The DTO's drug customer phone (414) 750-2464 had contact with phone number (414) 400-8432 at 9:53 a.m. PINKARD's Mazda CX was located at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** during this call. PINKARD's Mazda CX left **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** and traveled to the area of North 92nd Street and West Custer Avenue,

Milwaukee, WI. Once in this area, the DTO's drug customer phone (414) 750-2464 contacted (414) 400-8432 again. PINKARD's Mazda CX was only in the area for a short time, left and returned back to **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**. Case agents reviewed law enforcement databases and identified telephone (414) 400-8432 to be associated with Terrance Williams. Case agents are aware that following the undercover controlled drug transaction on December 20, 2022, PINKARD drove to 5417 North 92nd Street, Milwaukee WI. Case agents reviewed law enforcement databases which indicated Terrance Williams is associated with the address 5417 North 92nd Street, Milwaukee WI. While PINKARD was at 5417 North 92nd Street, Milwaukee WI on December 20, 2022, case agents observed PINKARD have a short term contact with Terrance Williams. Based on my training, experience, the observations of the electronic surveillance and GPS data in conjunction with the short in person contacts, this conduct is consistent with arranging drug transactions and completing the same.

203. Later on January 18, 2023, between 8:13 p.m. and 8:19 p.m. case agents again observed PINKARD's Mazda CX at **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** in the alley.

204. Case agents observed PINKARD's Mazda CX at **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** for short periods of times on January 19, 2023, January 21, 2023 and January 22, 2023.

205. On January 23, 2023, case agents observed PINKARD's Mazda CX at **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** in the alley between 10:47 a.m. and 10:57 a.m. and then again from 11:08 a.m. and 11:10 a.m. Later on January 23, 2023, at 12:38 p.m. the GPS battery died on PINKARD's Mazda CX. Case agents were not able to change the battery initially because PINKARD's Mazda CX had been at **3029/3031 North 55th Street,**

Milwaukee, WI (TARGET LOCATION – 2) and parked in the driveway. Case agents observed multiple cameras monitoring the residence which prohibited attempts to retrieve the GPS and change the battery.

206. On February 2, 2023, case agents observed PINKARD driving his Mazda CX, when PINKARD was leaving **3029/3031 North 55th Street, Milwaukee, WI (TARGET LOCATION – 2)**.

f. **February 14, 2023, to January 25, 2023, connections to 4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1), 3029/3031 North 55th Street - lower, Milwaukee, WI (TARGET LOCATION – 3) and 5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**

207. Case agents conducted a review of the court authorized GPS data on PINKARD's Mazda CX, which was installed on February 13, 2023. Information obtained from the GPS unit and surveillance verified PINKARD continued contact with **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1), 3029/3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2), and 5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**.

208. On February 14, 2023, between 7:30 a.m. and 11:30 a.m. case agents conducted surveillance at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1), 3029/3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2), and 5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**. When surveillance began, PINKARD's Mazda CX was parked on North 55th Street in front of **3029/3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)**. At approximately 8:15 a.m. PINKARD moved his Mazda CX into the driveway of **3029/3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)**. Shortly after, PINKARD and a female left the residence in his Mazda CX. PINKARD traveled to the area of 5417 North 92nd Street, Milwaukee, WI, Terrence Williams' residence. Before PINKARD arrived at 5417 North 92nd Street, Milwaukee, WI, he

had contact with Terrence Williams telephone 414-400-8432. PINKARD was only there for a couple of minutes and then left. Based on my training, experience, and the investigation into this DTO, PINKARD's conduct was consistent with a possible drug transaction. PINKARD later traveled to **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**. Case agents then observed PINKARD walked in the front door of **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** at 9:57 a.m.

209. Case agents were also conducting surveillance of **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** on February 14, 2023. At around 9:50 a.m. case agents observed a Chevy SUV with a back license plate that had a dealer type cover plate with "KUNES" on it. During the investigation into this DTO, case agents previously observed the Chevy SUV at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**. Case agents observed Marquist Davis exit the Chevy SUV. Case agents previously identified Marquist Davis as part of the investigation of the DTO. Marquist Davis rented vehicles that PINKARD used for drug trafficking, including the rental used during the undercover controlled buys with UC on February 10, 2022, and February 24, 2022. Case agents observed Marquist Davis enter **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**. Marquist Davis exited the residence after a couple minutes with a smaller black bag. Marquist Davis entered the Chevy SUV and left.

210. On February 15, 2023, case agents conducted surveillance at **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** between 7:30 a.m. to 11:30 a.m. Case agents were also monitoring the court authorized GPS on PINKARD's Mazda CX. GPS data indicated PINKARD's Mazda CX left his residence of **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** and started heading towards the area of **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**. At approximately 11:58 a.m. PINKARD arrived

at **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**. PINKARD parked in the alley right in front of the back door to the residence. Case agents were not able to see PINKARD go inside **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**, but at 12:20 p.m. PINKARD was observed exiting **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** out of the back door. PINAKRD then got into his Mazda CX and drove away. PINKARD was by himself and no one else was in the car.

H. LOCATIONS FOR DAVIS DTO, 4458 NORTH 67TH STREET, MILWAUKEE, WI, 2028 NORTH 31ST STREET, MILWAUKEE, WI, 4711 NORTH 89TH STREET, MILWAUKEE, WI (TARGET LOCATION – 1), 3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2), 3057A NORTH 52ND STREET, MILWAUKEE, WI, 5251 NORTH 48TH STREET, MILWAUKEE, WI (TARGET LOCATION – 3), AND 2720 EAST EDGERTON AVENUE APARTMENT #6, CUDAHY, WI

a. James DAVIS former residence – 4458 North 67th Street, Milwaukee.

211. During the course of the investigation case agents developed 4458 North 67th Street, Milwaukee, WI as the primary address for DAVIS. Case agents believe DAVIS lived at the residence with his girlfriend, Lynesha Craig. During the controlled buy on January 27, 2022, case agents observed DAVIS, PINKARD, and GRAHAM at 4458 North 67th Street, Milwaukee, WI. While at 4458 North 67th Street, Milwaukee, WI case agents observed PINKARD placing an item underneath the hood in the engine compartment of the Ford Fusion used by the DTO to deliver the controlled substance. Once at the meet location in Racine, case agents observed GRAHAM retrieve the controlled substance from the engine compartment of the Ford Fusion just prior to the controlled buy taking place.

212. On May 4, 2022, case agents observed DAVIS and PINKARD arrive at 4458 North 67th Street, Milwaukee, WI in separate rental vehicles at approximately 9:20 am. Both DAVIS and PINKARD entered the residence. At approximately 10:00 am PINKARD was seen leaving the residence carrying what was believed to be a grocery bag. As described above, based on

training and experience case agents know often times people who traffic in controlled substance will use grocery bags to transport controlled substance, US currency and or other drug related paraphernalia.

213. On June 9, 2022, case agents conducted a DEA controlled buy from the DTO's previous drug customer phone (414) 587-6004. UC believed he/she was in communication with PINKARD. During the time of the coordination of the controlled buy case agents reviewed GPS records for PINKARD's rental vehicle 2021 Honda CRV and phone records of the DTO's previous drug customer telephone (414) 587-6004. The DTO's previous drug customer phone (414) 587-6004 was in contact with DAVIS' previous telephone (262) 888-3327. Further during the time frame just before the controlled buy took place, the court authorized GPS unit on PINKARD'S vehicle was at DAVIS' residence 4458 North 67th Street, Milwaukee, WI.

214. During the course of the investigation case agents conducted routine checks and surveillance on DAVIS's residence at 4458 North 67th Street, Milwaukee, WI. Case agents noted DAVIS was regularly seen using the residence. On September 6, 2022, case agents observed DAVIS arrive at 4458 North 67th Street, Milwaukee, WI in a rental vehicle parking in the driveway. DAVIS exited the vehicle and entered 4458 North 67th Street, Milwaukee, WI.

215. During the investigation of the DTO case agents reviewed law enforcement data base in an attempt to locate an address for DAVIS. During the search case agents found DAVIS listed 2030 North 31st Street as his address with Department of Transportation. Also, upon reviewing Wisconsin Circuit Court Access, Racine County Case 2022CF126, case agents found DAVIS was arrested in Racine, WI on January 28, 2022, and used 2030 North 31st Street, Milwaukee, WI as his address with the court. Case agents reviewed the Milwaukee City Assessor website, which did not locate a valid address for 2030 North 31st Street. However, case agents located a valid address for 2028 North 31st Street, Milwaukee, WI, which is a business property,

an auto and body repair shop, with the owner of the property being Peggy Ware. Based on the investigation in this DTO and review of law enforcement databases, case agents learned Peggy Ware is James DAVIS's mother. It should be noted 2028 North 31st Street, Milwaukee, WI is listed as a business property. During the investigation case agents observed DAVIS at 2028 North 31st Street, Milwaukee, WI on multiple occasion but his rental vehicles were generally located at 4458 North 67th Street, Milwaukee, WI overnight. Based on my training and experience people who traffic in illegal controlled substances, like DAVIS, often will attempt to hide their permeant location from law enforcement to elude detection and arrest.

216. In December 2022, case agents conducted surveillance of 4458 North 67th Street, Milwaukee, Wisconsin. Case agents have not observed DAVIS at this location since before early December 2022. Case agents have also not observed any vehicles, personal or rental, that are connected with DAVIS or his associates at 4458 North 67th Street, Milwaukee, Wisconsin either. Based on these observations, case agents believe DAVIS no longer use 4458 North 67th Street, Milwaukee, Wisconsin.

b. Tire Shop associated with James DAVIS – 2028 North 31st Street, Milwaukee, WI

217. Case agents learned 2028 North 31st Street, Milwaukee, WI was a location used by the DTO based on records related to DAVIS, controlled buys, and surveillance of case agents. As previously noted, James DAVIS used 2030 North 31st Street as a residence address and the Milwaukee City Assessor records only have 2028 North 31st Street, Milwaukee, WI is a business property, owned by Peggy Ware. As previously noted, case agents learned James DAVIS is Peggy Ware's son.

218. During the investigation case agents conducted a controlled buy with the DTO on January 14, 2022. During the controlled buy DAVIS set up the predetermined meet location at 2030 North 31st Street, which actually 2028 North 31st Street, Milwaukee, WI. During the

controlled buy DAVIS arrived at the location in a rental vehicle before case agents were set up. During the controlled buy case agents observed a second car arrive at the location which was identified as a 2013 Hyundai Sonata registered to Shakayla Prince of 4711 North 89th Street, Milwaukee, WI, Pinkard's residence. Case agents believe the second car was PINKARD based on phone records which indicated DAVIS was contacting the DTO's old drug costumer telephone (414) 840-9759 and the connection to the vehicle and PINKARD's residence. The CS purchased 25 grams of controlled substances from in front of 2028 North 31st Street, Milwaukee, WI. The controlled buy took place on the street. After the controlled buy was completed DAVIS and his other DTO member left the area.

219. During the investigation case agents checked the records with WE Energies and determined 2030 North 31st Street, Milwaukee, WI and 2028 North 31st Street, Milwaukee, WI are the same property. The energy service for 2030 North 31st Street has been inactive since 1982. Currently the property is registered with WE Energies as 2028 North 31st Street, Milwaukee, WI with the service listed to Darryl Ware since February 2013. Law enforcement databases reviewed by case agents indicated Darryl Ware is married to Peggy Ware and is James DAVIS' stepfather. Based on my training and experience in conducting investigations into DTO it is common for the members to create confusion with locations associated with the trafficker, by having properties and/or utilities in friends and family members names.

220. Based on the findings at 2028 North 31st Street, Milwaukee, WI case agents conducted surveillance on the location. During the month of March 2022 case agents conducted random surveillance at the location. At no point did the build appear to be operating a business. Further on March 2, 2022, mid-morning case agents followed DAVIS from his residence, 4458 North 67th Street, Milwaukee, WI to 2028 North 31st Street, Milwaukee, WI. Once at 2028 North 31st Street, Milwaukee, WI case agents observed DAVIS contact Darryl Ware outside of the

building. Darryl Ware was identified using his Wisconsin DOT photos. After a short contact DAVIS left the area. Case agents attempted to follow DAVIS but due to erratic driving case agents lost DAVIS. Case agents were able to set up surveillance on Darryl Ware who made several stops around Milwaukee and returned to 2028 North 31st Street, Milwaukee, WI multiple times; however, Darryl Ware never enter the building of 2028 North 31st Street, Milwaukee, WI, and it appeared no business was actually being conducted at 2028 North 31st Street, Milwaukee, WI during this time.

221. During the investigation case agents conducted an interview with a Source of Information (SOI). SOI voluntarily shared information related to DAVIS and the commercial property at 2028 North 31st Street, Milwaukee, WI. The SOI indicated he/she provided DAVIS with 4 ounces of cocaine on multiple occasions during the year of 2021. Further SOI stated he/she was aware that DAVIS and his “dad” had a “tire shop” that they conducted illegal business at. SOI did not know the exact address but gave the general area of 2028 North 31st Street, Milwaukee, WI. SOI also indicated DAVIS’ “dad” was involved in the trafficking of controlled substances.

222. SOI’s information is credible and reliable because SOI has given information concerning individuals involved in illegal activities, which has been independently verified through this investigation. SOI cooperated with law enforcement in exchange for consideration on felony drug and firearm offenses. SOI has prior adult felony convictions for Attempted Armed Robbery, Bail Jumping, Manufacture/Delivery Cocaine, Fleeing and Hit and Run Causing Injury.

223. During the review of the court authorized GPS tracker on PINKARDS Honda CRV, case agents noted the vehicle was in the area of 2028 North 31st Street, Milwaukee, WI on June 12, 2022, at approximately 1:27 p.m.

224. During the investigation case agents observed DAVIS at 2028 North 31st Street, Milwaukee, WI on multiple occasion but his rental vehicles were generally located at 4458 North

67th Street, Milwaukee overnight. Based on my training and experience with DTO, members of DTO will attempt to hide their permeant location from law enforcement to elude detection and arrest. Further, DTO members will often use multiple locations to store tools of their criminal operations including money, controlled substance, and drug paraphernalia.

c. Juiquin PINKARD residence – 4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)

225. During the course of the investigation case agents identified **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** as the primary residence for PINKARD. During the controlled buy from the DTO on January 14, 2022, a 2013 Hyundai Sonata with Wisconsin license plate AHG4155 delivered the heroin to DAVIS. Upon checking the registration with Wisconsin DOT case agents learned the vehicle was registered to Shakayla Prince at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**. Through phone records case agents found Prince was a top contact for PINKARD's telephone (414) 748-5568.

226. On February 10, 2022, case agents conducted a controlled buy from the DTO. During the controlled buy PINKARD arrived operating a silver 2021 Volkswagen Jetta rental car. Case agents lost sight of the vehicle after the controlled buy. During the course of the next month case agents conducted surveillance on the residence at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**. In February 2022 case agents observed PINKARD's rental vehicle, 2021 Volkswagen, parked on the property of **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**.

227. On March 30, 2022, case agents conducted a garbage pull at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**. During the collection and review of garbage associated with **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** case agents recovered the rental agreement from Avis / Budget Rent a Car related to the 2021

Volkswagen. The vehicle was rented by Marquist DAVIS who is an associate that rented multiple vehicles for PINKARD as previously discussed.

228. During the course of the investigation case agents conducted court authorized electronic surveillance of PINKARD's telephone (414) 748-5568 and the DTO's previous drug customer phone (414) 587-6004. Upon review of the court authorized electronic surveillance, case agents found PINKARD's telephone (414) 748-5568 and the DTO's previous drug customer phone (414) 587-6004 were in the area of **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** on a regular basis, including overnight, consistent with PINKARD residing at the location.

229. Case agents also conducted physical surveillance on **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** on a regular basis between March 2022 through September 2022. Case agents regularly observed PINKARD use the front door to **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**. Further case agents regularly observed different rental vehicles parked in front of **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**. The rental vehicles were either rented by PINKARD or Marquist DAVIS. PINKARD has been observed driving multiple rental vehicles from **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**.

230. On June 9, 2022, case agents conducted a controlled buy from the DTO. Based on electronic and physical surveillance, the DTO sent DOUGHTY to the meet location to conduct the transaction. Upon completion of the controlled buy, DOUGHTY was followed by case agents and observed returning directly from the transaction to **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**. While at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** case agents observed DOUGHTY walk into the residence from the front door holding a large amount of United States currency suspected to be DEA funds from the controlled

buy. After several minutes DOUGHTY and Haramis exited **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** and left the area.

231. On August 8, 2022, I was conducting surveillance on **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**. At this time PINKARD's 2021 Mazda CX5 rental vehicle was park in front of the residence. At approximately 1:05 p.m. case agents observed PINKARD and HARAMIS exit the front door. Both PINKARD and Haramis entered the 2021 Mazda CX5. While walking to the vehicle PINKARD was carrying a backpack which he placed in the vehicle. Based on my training, experience, and investigation into this DTO, I know that members of DTOs often use backpacks to transport items such as but not limited to controlled substances, United States currency, firearms, digital scales, packaging paraphernalia and other documents.

232. On August 3, 2022, case agents checked the records of WE Energies and found the service for **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** is listed under Marquist DAVIS since March 2022. Case agents believe these records as they are updated on a regular basis and found to be accurate in the past. Further case agents found during the investigation that Marquist DAVIS was renting vehicles for PINKARD.

233. On December 14, 2022, case agents observed PINAKRD's Mazda CX 50 SUV parked to the rear of **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION -1)**, outside next to the garage. Review of DOT records indicated the Mazda CX is registered to PINARK for the location **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**, with a lien holder of JP Morgan/Chase Bank.

234. Case agents also observed PINKARD's Mazda CX on December 20, 2022, parked in front of **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**. Case agents

also observed PINKARD driving the Mazda CX that same day, including using the Mazda CX during the undercover controlled buy.

235. Case agents have observed PINARKD's Mazda CX at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** prior to and following suspected drug truncations on January 14, 2023 and January 18, 2023.

236. Case agents have observed PINKARD enter **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** as recently as February 14, 2023.

d. Residence Associated with Juiquin PINKARD – 3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)

237. During the investigation case agents developed the address at **3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)** as a location associated with the DTO, specifically PINKARD. During the investigation court authorized electronic surveillance was used to assist with identifying target locations for the DTO. Case agents monitored court authorized electronic surveillance from March 2022 to May 2022. During this time frame the DTO's previous drug customer telephone (414) 587-6004 would show in the area of **3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)**. Also, during this time PINKARD'S telephone (414) 748-5568 would also show in the area of **3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)**. Based on the radius of the GPS locations case agents could not identify the exact location.

238. Case agents used a court authorized GPS tracking unit on PINKARD's 2021 Nissan rental vehicle in the beginning of May 2022. Upon reviewing the data from the GPS unit case agents developed the location at **3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)**. On May 3, 2022, the GPS unit on PINKARD'S vehicle made at least 4 stops at the location between 9:00 a.m. and 7:00 p.m. Also, on this date PINKARD'S vehicle made 11 stops at gas stations throughout the Milwaukee area. Based on my training

experience, and investigation into this DTO, gas stations are a common location for drug traffickers to conduct the illegal business, especially when multiple stops occur for one day.

239. Case agent monitored the GPS unit on PINKARD's vehicle on May 3, 2022. At approximately 9:17 a.m. PINKARD's vehicle arrived at **3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)**. PINKARD'S vehicle left the area before case agents could arrive on scene. At approximately 9:36 a.m. PINKARD returned to his residence at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**. Case agents traveled to the area of **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** to conduct surveillance on PINKARD. At approximately 9:42 a.m. PINKARD traveled in his 2021 Nissan rental to the Discount Quick Mart gas station at 8334 W. Appleton Avenue. While at the gas station case agents observed PINKARD contact an unidentified male white. During the contact PINKARD never exited his vehicle. The unidentified male approached PINKARD's vehicle and entered the passenger side door. The unidentified male was in PINKARD's vehicle for several minute and then exited. The unidentified male returned to his vehicle and left the area. PINKARD never exited his vehicle and did not conduct any official business with the gas station. PINKARD left the gas station and return to **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**. Based on my training and experience, this conduct was consistent with a drug transaction between PINKARD and the unidentified male.

240. Case agents continued to monitor the GPS unit on PINKARD'S vehicle. Starting at 1:30 p.m. and going until 4:10 p.m. PINKARD's 2021 Nissan stopped at five gas stations. After the last stop at the gas station located at West Beecher Street and South 6th Street approximately 4:12 p.m., PINKARD traveled to 2028 North 31st Street, Milwaukee, WI, the tire shop associated with DAVIS. After leaving 2028 North 31st Street, Milwaukee, WI, PINKARD traveled back to **3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)**.

PINKARD'S vehicle was at the location for approximately 5 minutes and left the area returning to his residence at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**.

241. On May 4, 2022, case agents monitored the GPS unit on PINKARD's vehicle. At approximately 1:04 p.m. PINKARD's vehicle was at **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**. PINKARD'S vehicle left the location and traveled to **3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)** arriving at 1:13 p.m. PINKARD was at **3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)** for approximately 10 minutes and left the residence. PINKARD's vehicle traveled to 4939 West Villard Avenue, Milwaukee, WI a Citgo gas station. PINKARD's vehicle was at the Citgo gas station for three minutes. After leaving the Citgo Gas Station PINKARD returned to **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**. PINKARD was at the location for approximately ten minutes. PINKARD then returned to **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**. The Citgo gas station at 4939 West Villard Avenue, Milwaukee, WI was used by the DTO during the controlled buy on February 10, 2022. Further the location is one block from **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**. Case agents believe the DTO uses the Citgo gas station to conduct their drug trafficking business. Based on my training and experience people who traffic in illegal controlled substance will often use multiple locations. Some DTO's will keep the illegal controlled substances at a different location than the drug proceeds. This is done to protect the DTO from law enforcement investigation and rival drug traffickers looking rob their competitors.

242. Throughout the investigation into the DTO, PINKARD has been observed using **3029 /3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)**. Based on GPS data between January 4, 2023, and January 23, 2023, PINKARD would usually stay

overnight at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** or **3029/3031 North 55th Street - lower, Milwaukee, WI (TARGET LOCATION – 2)**.

243. On January 12, 2023, case agents observed PINKARD leave **3029/3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)** two times and go directly to **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**.

244. On January 17, 2023, PINKARD's Mazda CX was at **3029/3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)** prior to the suspected drug transaction.

245. On February 2, 2023, case agents observed PINKARD's Mazda CX at **3029/3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)**.

246. On February 14, 2023, case agents observed PINKARD present at **3029/3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)**.

e. LaJuan GRAHAM residence – 3057A North 52nd Street, Milwaukee, WI

247. During the course of the investigation case agents identified 3057A North 52nd Street, Milwaukee, WI as the primary residence for GRAHAM. Case agents believe GRAHAM lives at the residence with his girlfriend Ashley Woods. Case agents checked law enforcement data base and identified GRAHAM using 3057A North 52nd Street, Milwaukee, WI as his address.

248. During the investigation between February 2022 and March 2022 case agents found GRAHAM was working third shift in Saukville, WI. Due to the findings case agents located GRAHAM'S vehicle at Charter Steel in Saukville, WI. On March 2, 2022, GRAHAM was followed from Charter Steel to his residence at 3057A North 52nd Street, Milwaukee, WI. GRAHAM parked his vehicle behind the residence and used the back door of 3057A North 52nd Street, Milwaukee, WI to gain entry.

249. During the investigation, on January 27, 2022, GRAHAM handed UC the controlled substance during the controlled. Further case agents learned GRAHAM was making

cash deposits into his account at Educator's Credit Union. Case agents obtained records from Educator's Credit Union which listed 3057A North 52nd Street, Milwaukee, WI as GRAHAM home address. The cash deposits were for similar amounts related to the cost of vehicles rented by GRAHAM but were then operated by DAVIS. Case agents believed DAVIS was providing GRAHAM cash from drug transactions to deposit into his account at Educator's Credit Union to use to pay for rental cars used by the DTO.

250. Case agents also reviewed Wisconsin Circuit Court Access, which had two recent traffic violation for GRAHAM from June 27, 2022. GRAHAM provided the address 3057A North 52nd Street, Milwaukee, WI as his residence on the court record.

251. Case agents believe GRAHAM demonstrated that he is part of the DTO as he conducted a hand-to-hand drug transaction with UC on January 27, 2022. Further GRAHAM has continually deposit drug proceeds into a bank in order to rent vehicles from Avis / Budget Rent a Car for DAVIS. DAVIS then used these rentals to conduct his drug trafficking business with PINKARD and other DTO members. Case agents confirmed this information with records collected from Avis / Budget Rent a Car and Educator Credit Union.

f. DTO's location - 5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)

252. Case agents developed the address at **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** based on the controlled buy on February 10, 2022. During the communications between the DTO's previous drug custom telephone (414) 840-9759 and UC, UC was told to meet at the Citgo Gas Station at 49th Street and West Villard Street. The DTO's previous drug custom telephone (414) 840-9759 indicated that the controlled substance had to be picked up before the deal could happen. At this time case agents were unaware of the residence at **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** which is less than a block from the Citgo gas station. During the controlled buy PINKARD arrived and contacted UC.

The deal was extremely short, and PINKARD fled the area after the transaction was complete. Case agents attempted to follow PINKARD, but lost sight of PINKARD bases on erratic driving patterns.

253. Upon reviewing law enforcement data base case agents located the address at **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** being associated with PINKARD. Based on identifying the location case agents conducted surveillance on the residence. As brief described previously, on March 8, 2022, case agents were conducting surveillance on **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**. At approximately 1:34 p.m. case agents observed the Volkswagen rental car operated by PINKARD during the controlled buy on February 10, 2022, driving in the area. While watching PINKARD's vehicle, case agents observed the vehicle drive past case agents' location and slow down as if PINKARD was looking into case agents' vehicle. Case agents repositioned the vehicle and passed PINKARD's Volkswagen in the area of West Villard Street and North 48th Street. At this point case agents confirmed PINKARD was the operator of the Volkswagen. Case agents stated after making eye contact PINKARD placed a mask over his face to conceal his identity. While attempting to leave the area PINKARD attempted to follow case agents. After losing sight of PINKARD, case agents dove past **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** and observed PINKARD'S vehicle parked in front of **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** facing the wrong way in traffic. Case agents terminated surveillance at this point.

254. On March 30, 2022, case agents removed 3 bags of garbage from the alley to the rear of **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**. Recovered from the garbage bags was prescription for Daven Pinkard at **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** dated March 13, 2022. Also located were multiple plastic sandwich

baggies primarily with the corners missing. Based on my training and experience in conducting investigations into DTO, case agents will often conduct what is refer to as a garbage pull from target residences. Often times the garbage will have evidence of the crime such as but not limited to packaging paraphernalia, records / documents related and even trace amounts of illegal controlled substances. The finding of plastic sandwich baggies with corners missing is inductive of people packaging illegal controlled substances for deliver.

255. During the month of May 2022, case agents deployed a court authorized GPS tracking unit on a 2021 Nissan Altima rental vehicle. The vehicle was rented by Marquist Davis but maintained and operated by PINKARD based on physical surveillance. Upon reviewing GPS data case agents observed the 2021 Nissan Altima made regular stops at **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** from May 3, 2022 – May 4, 2022.

256. During the month of June 2022, case agents deployed a court authorized GPS tracking unit on a 2021 Honda CRV rental vehicle. The vehicle was rented and operated by PINKARD base on review of records and physical surveillance by case agents. The vehicle was regularly maintained at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**. During the review of the data collected from the GPS unit case agents observed the 2021 Honda CRV made regular stops at **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** from June 9, 2022 – June 13, 2022.

257. Based on court authorized GPS data, between January 4, 2023, and January 23, 2023 PINKARD's Mazda CX would frequent **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** various times but only staying for a few minutes at a time. This was consistent with surveillance also.

258. On January 5, 2023, January 7, 2023, and January 8, 2023, PINKARD's Mazda CX was observed in the alley of **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** for short periods of time.

259. On January 17, 2023, PINKARD's Mazda CX was in the alley of **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** prior to traveling to the Citgo gas station on North 49th Street and West Villard Street, Milwaukee, Wisconsin. This is the same gas station PINKARD conducted the undercover controlled buy with UC on February 10, 2022. Following the short visit at the Citgo gas station, PINKARD traveled back to **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**.

260. On January 18, 2023, following the suspected drug transaction, PINKARD's Mazda CX was observed in the alley of **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**.

261. On February 14, 2023, case agents observed Marquist Davis enter **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**. Marquist Davis came back out a couple minutes later with a smaller black bag. Marquist Davis got into the Chevy SUV and left. Marquist Davis had previously rented vehicles that PINKARD used for drug trafficking.

262. On February 15, 2023, case agents observed PINKARD exiting **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)**, consistent with prior observations that PINKARD has access to this residence.

g. Brooke DOUGHTY residence – 2720 East Edgerton Avenue Apartment #6, Cudahy, WI

263. During the investigation case agents identified 2720 East Edgerton Avenue Apartment #6, Cudahy, WI as the primary residence for DOUGHTY. Case agents believe DOUGHTY lives at the residence with several small children and her child's father, Haramis. Case agents checked law enforcement data base and confirmed DOUGHTY uses 2720 East

Edgerton Avenue Apartment #6, Cudahy, WI. Case agents also found records of Haramis using 2720 East Edgerton Avenue Apartment #6, Cudahy, WI as a residence.

264. During the investigation case agents learned of DOUGHTY during the undercover controlled buy on March 24, 2022. During the controlled buy, case agents monitored court authorized electronic surveillance of the DTO's previous drug customer telephone (414) 587-6004 and PINKARD's telephone (414) 748-5568. Based on the court authorized electronic surveillance of the DTO's previous drug customer phone (414) 587-6004 and PINKARD's telephone (414) 748-5568, case agents believed PINKARD was in possession of both phones.

265. As previously noted, on March 24, 2022, prior to the deal being arranged in the morning, the DTO's previous drug customer telephone (414) 587-6004 was in contact with DAVIS' telephone (262) 888-3327 three times, GRAHAM's telephone (414) 345-7827 five times and Haramis' telephone (224) 601-4290 two times. After 11:30 a.m. and the deal being scheduled, Haramis' telephone (224) 601-4290 and the DTO's drug customer telephone (414) 587-6004 had eight contacts, while the DTO was supposed to be heading to meet UC. This was between 11:38 a.m. and 12:50 p.m. After 12:50 p.m. PINKARD's telephone (414) 748-5568 contacted DOUGHTY's telephone (414) 719-1574 five times. Haramis' telephone (224) 601-4290 and DOUGHTY's telephone (414) 719-1574 made 41 contacts on March 24, 2022, between 10:09 a.m. and 1:53 p.m., 18 voice calls and 23 text messages. Between 12:20 p.m. and 1:53 p.m. DOUGHTY's telephone (414) 719-1574 did not have any contact with Haramis but five contacts with PINKARD's telephone (414) 748-5568.

266. Also, during the March 24, 2022, controlled buy the DTO's drug customer phone (414) 587-6004 indicated it was in the area of 13th Street and Layton Avenue. The location is in close proximity to DOUGHTY's residence of 2720 East Edgerton Avenue Apartment #6, Cudahy, WI. During the March 24, 2022, controlled buy, the DTO sent DOUGHTY with the controlled

substances to the meet location, were DOUGHTY conducted the drug transaction with UC. DOUGHTY was operating a black Audi A4 with Wisconsin license plate AMK3977. After the completion of the transaction case agents attempted to follow DOUGHTY; however, case agents lost DOUGHTY at a gas station in the area of 13th Street and Layton Avenue.

267. The following day, after identifying DOUGHTY through Wisconsin DOT records, case agents checked her listed residence at 2720 East Edgerton Avenue Apartment #6, Cudahy, WI and located her black Audi A4 parked in front of the residence. During the next week case agents conducted surveillance on the residence at 2720 East Edgerton Avenue Apartment #6, Cudahy, WI. Case agents observed DOUGHTY leaving 2720 East Edgerton Avenue Apartment #6, Cudahy, WI through the front door. Further DOUGHTY was observed leaving 2720 East Edgerton Avenue Apartment #6, Cudahy, WI in the black Audi A4.

268. Through analysis of cellular phone records of Haramis telephone (224) 601-4290 and DOUGHTY's telephone (414) 719-1574 case agents identified Haramis to be a top contact for DOUGHTY. Further case agents reviewed records of Wisconsin Circuit Court Records (CCAP) Milwaukee County Case 2022FA002242, in which DOUGHTY and HARAMIS had a paternity case together. The case was started on April 26, 2022, and the address on records for DOUGHTY was 2720 East Edgerton Avenue Apartment #6, Cudahy, WI. Haramis listed his address at 3803 South Brook Place, Saint Francis, WI.

269. Case agents also reviewed another Milwaukee County Case 2022FA003151, in which Haramis was a respondent to an injunction. As of June 9, 2022, HARAMIS listed his address as 2720 East Edgerton, Cudahy, WI consistent with him residing with DOUGHTY as 2720 East Edgerton Avenue Apartment #6, Cudahy, WI.

270. Case agents conducted a controlled buy on June 9, 2022. During this controlled buy UC contacted the DTO's previous drug customer telephone (414) 587-6004 to coordinate the

deal. During this time case agents conducted surveillance on PINKARD and observed he traveled to 3803 South Brook Place, the address Haramis had provided as his residence in Milwaukee County Case 2022FA002242. During the controlled buy on June 9, 2022, the DTO's previous drug customer phone (414) 587-6004 was in contact with Haramis' telephone (224) 601-4290. Haramis' telephone (224) 601-4290 was in contact with DOUGHTY's telephone (414) 719-1574. Once the location of the transaction was set, case agents set up surveillance on the location. At this time case agents did not know which member of the DTO was going to conduct the transaction with UC.

271. During the controlled buy case agents observed DOUGHTY arrive to meet UC in a black Audi A4 with Wisconsin license plate ALY6784. The plate was different from the previous Audi A4 used by DOUGHTY but was confirmed to be registered to Steve Doughty, who is believed to be related to DOUGHTY. Based on my training and experience, it is common practice for people who traffic in illegal controlled substance to use different vehicles and license plates to deceive and elude law enforcement investigations. Additionally, members of DTO will have family members or friends register vehicles used by DTO members in an attempt to deceive and elude law enforcement investigations.

272. During the June 9, 2022, drug buy DOUGHTY and UC exchanged the controlled substances and buy money. After the transaction DOUGHTY left the area. Case agents were able to conduct surveillance on DOUGHTY after the transaction. At this time case agents were also conducting surveillance on PINKARD'S residence at **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**. Based on seeing DOUGHTY make the delivery case agents set up surveillance her residence at 2720 East Edgerton Avenue Apartment #6, Cudahy, WI.

273. Following the drug transaction, DOUGHTY was observed traveling directly to **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**. Once at PINKARD's

residence of **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**, DOUGHTY exited her vehicle and walked to the front door of the residence. Case agents observed DOUGHTY holding a large amount of United State currency which was believed to be buy money. DOUGHTY entered **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)** with the money. After several minutes inside the residence DOUGHTY exited the residence with Haramis and a small child. DOUGHTY, Haramis, and the small child left the area in the Audi A4. Case agents followed DOUGHTY and Haramis back to the apartment building of 2720 East Edgerton Avenue Apartment #6, Cudahy, WI where they all entered the building.

I. CRIMINAL HISTORY OF DTO TARGET SUBJECTS

a. James DAVIS

274. Upon review of DAVIS' criminal history, case agents learned DAVIS is a convicted felon and is disqualified from possessing firearms. DAVIS' criminal history dates from August 20, 1995, until the current date. J. Summaries of Respective Roles

a. James DAVIS

280. As recounted in more detail above, DAVIS is the suspected source of supply of heroin and fentanyl for the DTO, which is then distributed by GRAHAM, PINKARD, and DOUGHTY. DAVIS' telephone was in frequent contact with PINKARD and GRAHAM during periods when law enforcement was purchasing controlled substances from PINKARD and DOUGHTY and also when PINKARD was observed conducting suspected drug transaction in Milwaukee. Further PINKARD had physical contact with DAVIS prior to and following suspected drug transactions.

b. Juiquin PINKARD

281. As recounted in more detail above, PINKARD coordinated and distributed controlled substances during multiple controlled purchases with law enforcement, to include over 40 grams of fentanyl. He appears to use telephones, vehicles, and several residences including **4711 North 89th Street, Milwaukee, WI (TARGET LOCATION – 1)**, **3029/3031 North 55th Street – lower, Milwaukee, WI (TARGET LOCATION – 2)**, and **5251 North 48th Street, Milwaukee, WI (TARGET LOCATION – 3)** for the DTO's drug trafficking. He appears to be sourced fentanyl by DAVIS, and then coordinates the distribution of that same fentanyl with DAVIS, GRAHAM, and DOUGHTY.

c. LaJuan GRAHAM

282. As recounted in more detail above, GRAHAM distributed controlled substances during the controlled with law enforcement on January 27, 2022. He also deposits drug proceeds into financial institutions and uses those funds to obtain rental vehicles for the DTO. He appears to be sourced cocaine by DAVIS and use the DTO's drug customer telephone to distribute to law enforcement on February 10, 2022.

d. Brooke DOUGHTY

283. As recounted in more detail above, DOUGHTY distributed controlled substances during the controlled with law enforcement on March 24, 2022, and June 9, 2022. She has used residences associated with other members of the DTO, having been observed by law enforcement at the same. She appears to be provided fentanyl by PERKINS which is sourced by DAVIS.

IV. TECHNICAL BACKGROUND

284. As described above and in Attachment B, this application seeks permission to search for records that might be found on the **TARGET LOCATIONS**, in whatever form they are found. One form in which the records might be found is data stored on a cellular telephone or

computer's hard drive or other storage media. Thus, the warrant applied for would authorize the seizure of electronic storage media or, potentially, the copying of electronically stored information, all under Rule 41(e)(2)(B).

285. *Probable cause.* I submit that if a computer, cellular telephone, or electronic storage medium is found at the **TARGET LOCATIONS**, there is probable cause to believe records associated with the DTO's activities will be stored on the same, for at least the following reasons:

- a. Based on my knowledge, training, and experience, I know that this DTO frequently uses cellular telephones to communicate.
- b. I also know, based on my knowledge, training, and experience, that computer files or remnants of such files can be recovered months or even years after they have been downloaded onto a storage medium, deleted, or viewed via the Internet. Electronic files downloaded to a storage medium can be stored for years at little or no cost. Even when files have been deleted, they can be recovered months or years later using forensic tools. This is so because when a person "deletes" a file on a computer, the data contained in the file does not actually disappear; rather, that data remains on the storage medium until it is overwritten by new data.
- c. Therefore, deleted files, or remnants of deleted files, may reside in free space or slack space—that is, in space on the storage medium that is not currently being used by an active file—for long periods of time before they are overwritten. In addition, a computer's operating system may also keep a record of deleted data in a "swap" or "recovery" file.
- d. Wholly apart from user-generated files, computer storage media—in particular, computers' internal hard drives—contain electronic evidence of how a computer has been used, what it has been used for, and who has used it. To give a few

examples, this forensic evidence can take the form of operating system configurations, artifacts from operating system or application operation, file system data structures, and virtual memory “swap” or paging files. Computer users typically do not erase or delete this evidence, because special software is typically required for that task. However, it is technically possible to delete this information.

- e. Similarly, files that have been viewed via the Internet are sometimes automatically downloaded into a temporary Internet directory or “cache.”

286. *Forensic evidence.* As further described in Attachment B, this application seeks permission to locate not only electronic files that might serve as direct evidence of the crimes described on the warrant, but also for forensic electronic evidence that establishes how such electronic devices were used, the purpose of their use, who used them, and when. There is probable cause to believe that this forensic electronic evidence will be on any storage medium in the Target Residences because:

- a. Data on the computer, cellular telephone, or storage medium can provide evidence of a file that was once on the storage medium but has since been deleted or edited, or of a deleted portion of a file (such as a paragraph that has been deleted from a word processing file). Virtual memory paging systems can leave traces of information on the storage medium that show what tasks and processes were recently active. Web browsers, e-mail programs, and chat programs store configuration information on the storage medium that can reveal information such as online nicknames and passwords. Operating systems can record additional information, such as the attachment of peripherals, the attachment of USB flash storage devices or other external storage media, and the times the computer was in use. Computer file systems can record information about the dates files were created and the sequence

in which they were created, although this information can later be falsified.

- b. As explained herein, information stored within a computer, cellular telephone, and other electronic storage media may provide crucial evidence of the “who, what, why, when, where, and how” of the criminal conduct under investigation, thus enabling the United States to establish and prove each element or alternatively, to exclude the innocent from further suspicion. In my training and experience, information stored within a computer or storage media (e.g., registry information, communications, images and movies, transactional information, records of session times and durations, internet history, and anti-virus, spyware, and malware detection programs) can indicate who has used or controlled the computer or storage media. This “user attribution” evidence is analogous to the search for “indicia of occupancy” while executing a search warrant at a residence. The existence or absence of anti-virus, spyware, and malware detection programs may indicate whether the computer was remotely accessed, thus inculcating or exculpating the computer owner. Further, computer and storage media activity can indicate how and when the computer or storage media was accessed or used. For example, as described herein, computers typically contain information that log: computer user account session times and durations, computer activity associated with user accounts, electronic storage media that connected with the computer, and the IP addresses through which the computer accessed networks and the internet. Such information allows investigators to understand the chronological context of computer or electronic storage media access, use, and events relating to the crime under investigation. Additionally, some information stored within a computer or electronic storage media may provide crucial evidence relating to the physical

location of other evidence and the suspect. For example, images stored on a computer may both show a particular location and have geolocation information incorporated into its file data. Such file data typically also contains information indicating when the file or image was created. The existence of such image files, along with external device connection logs, may also indicate the presence of additional electronic storage media (e.g., a digital camera or cellular phone with an incorporated camera). The geographic and timeline information described herein may either inculcate or exculpate the computer user. Last, information stored within a computer may provide relevant insight into the computer user's state of mind as it relates to the offense under investigation. For example, information within the computer may indicate the owner's motive and intent to commit a crime (e.g., internet searches indicating criminal planning), or consciousness of guilt (e.g., running a "wiping" program to destroy evidence on the computer or password protecting/encrypting such evidence in an effort to conceal it from law enforcement).

- c. A person with appropriate familiarity with how a cellular telephone or computer works can, after examining this forensic evidence in its proper context, draw conclusions about how computers were used, the purpose of their use, who used them, and when.
- d. The process of identifying the exact files, blocks, registry entries, logs, or other forms of forensic evidence on a storage medium that are necessary to draw an accurate conclusion is a dynamic process. While it is possible to specify in advance the records to be sought, electronic evidence is not always data that can be merely reviewed by a review team and passed along to investigators. Whether data stored

on a cellular telephone or computer is evidence may depend on other information stored on the computer and the application of knowledge about how a computer behaves. Therefore, contextual information necessary to understand other evidence also falls within the scope of the warrant.

- e. Further, in finding evidence of how a cellular telephone or computer was used, the purpose of its use, who used it, and when, sometimes it is necessary to establish that a particular thing is not present on a storage medium. For example, the presence or absence of counter-forensic programs or anti-virus programs (and associated data) may be relevant to establishing the user's intent.
- f. I know that when an individual uses a cellular telephone or computer to operate a website that is used for illegal conduct, the individual's computer will generally serve both as an instrumentality for committing the crime, and also as a storage medium for evidence of the crime. The cellular telephone or computer is an instrumentality of the crime because it is used as a means of committing the criminal offense. The cellular telephone or computer is also likely to be a storage medium for evidence of crime. From my training and experience, I believe that a cellular telephone or computer used to commit a crime of this type may contain: data that is evidence of how the computer was used; data that was sent or received; notes as to how the criminal conduct was achieved; records of Internet discussions about the crime; and other records that indicate the nature of the offense.

287. *Necessity of seizing or copying entire computers, cellular telephones, or storage media.* In most cases, a thorough search of a premises for information that might be stored on storage media often requires the seizure of the physical storage media and later off-site review consistent with the warrant. In lieu of removing storage media from the premises, it is sometimes

possible to make an image copy of storage media. Generally speaking, imaging is the taking of a complete electronic picture of cellular telephone or computer's data, including all hidden sectors and deleted files. Either seizure or imaging is often necessary to ensure the accuracy and completeness of data recorded on the storage media, and to prevent the loss of the data either from accidental or intentional destruction. This is true because of the following: (i) The time required for an examination. As noted above, not all evidence takes the form of documents and files that can be easily viewed on site. Analyzing evidence of how a computer has been used, what it has been used for, and who has used it requires considerable time, and taking that much time on premises could be unreasonable. As explained above, because the warrant calls for forensic electronic evidence, it is exceedingly likely that it will be necessary to thoroughly examine storage media to obtain evidence. Storage media can store a large volume of information. Reviewing that information for things described in the warrant can take weeks or months, depending on the volume of data stored, and would be impractical and invasive to attempt on-site; (ii) Technical requirements. Cellular telephone and computers can be configured in several different ways, featuring a variety of different operating systems, application software, and configurations. Therefore, searching them sometimes requires tools or knowledge that might not be present on the search site. The vast array of computer hardware and software available makes it difficult to know before a search what tools or knowledge will be required to analyze the system and its data on the Premises. However, taking the storage media off-site and reviewing it in a controlled environment will allow its examination with the proper tools and knowledge; and, (iii) Variety of forms of electronic media. Records sought under this warrant could be stored in a variety of storage media formats that may require off- site reviewing with specialized forensic tools.

288. *Nature of examination.* Based on the foregoing, and consistent with Rule 41(e)(2)(B), the warrant I am applying for would permit seizing, imaging, or otherwise copying

cellular telephones, computers, and storage media that reasonably appear to contain some or all of the evidence described in the warrant, and would authorize a later review of the media or information consistent with the warrant. The later review may require techniques, including but not limited to computer-assisted scans of the entire medium, that might expose many parts of a hard drive to human inspection in order to determine whether it is evidence described by the warrant.

289. Because multiple people may share the **TARGET LOCATIONS**, it is possible that the **TARGET LOCATIONS** will contain cellular telephones, computers, or storage media that are predominantly used, and perhaps owned, by persons who are not suspected of a crime. If it is nonetheless determined that it is possible that the things described in this warrant could be found on any of those computers or storage media, the warrant applied for would permit the seizure and review of those items as well.

290. *Unlocking Apple brand devices:* I know based on my training and experience, as well as from information found in publicly available materials including those published by Apple, that Apple devices are used by many people in the United States, and that some models of Apple devices such as iPhones and iPads offer their users the ability to unlock the device via the use of a fingerprint or thumbprint (collectively, “fingerprint”) or facial recognition in lieu of a numeric or alphanumeric passcode or password. These features are called Touch ID and Face ID, respectively. If a user enables Touch ID on a given Apple device, he or she can register up to 5 fingerprints that can be used to unlock that device. The user can then use any of the registered fingerprints to unlock the device by pressing the relevant finger(s) to the device’s Touch ID sensor, which is found in the round button (often referred to as the “home” button) at the bottom center of the front of the device. In my training and experience, users of Apple devices that offer Touch ID often enable it because it is considered to be a more convenient way to unlock the device than by entering a numeric or

alphanumeric passcode or password, as well as a more secure way to protect the device's contents. This is particularly true when the user(s) of the device are engaged in criminal activities and thus have a heightened concern about securing the contents of the device. In some circumstances, a fingerprint cannot be used to unlock a device that has Touch ID enabled, and a passcode or password must be used instead. These circumstances include: (1) when more than 48 hours has passed since the last time the device was unlocked and (2) when the device has not been unlocked via Touch ID in 8 hours and the passcode or password has not been entered in the last 6 days. Thus, in the event law enforcement encounters a locked Apple device, the opportunity to unlock the device via Touch ID exists only for a short time. Touch ID also will not work to unlock the device if (1) the device has been turned off or restarted; (2) the device has received a remote lock command; and (3) five unsuccessful attempts to unlock the device via Touch ID are made. If Touch ID enabled Apple devices are found during a search of the Target Residences, the passcode or password that would unlock such the devices are presently unknown to law enforcement. Thus, it will likely be necessary to press the finger(s) of the user(s) of any Apple device(s) found during the search of the Target Residences to the device's Touch ID sensor in an attempt to unlock the device for the purpose of executing the search authorized by this warrant. Attempting to unlock the relevant Apple device(s) via Touch ID with the use of the fingerprints of the user(s) is necessary because the government may not otherwise be able to access the data contained on those devices for the purpose of executing the search authorized by this warrant. In my training and experience, the person who is in possession of a device or has the device among his or her belongings at the time the device is found is likely a user of the device. However, in my training and experience, that person may not be the only user of the device whose fingerprints are among those that will unlock the device via Touch ID, and it is also possible that the person in whose possession the device is found is not actually a user of that device at all. Furthermore, in my training and experience, I

know that in some cases it may not be possible to know with certainty who is the user of a given device, such as if the device is found in a common area of a premises without any identifying information on the exterior of the device. Thus, it will likely be necessary for law enforcement to have the ability to require any occupant of the premises to press their finger(s) against the Touch ID sensor of the locked Apple device(s) found during the search of the **TARGET LOCATIONS** in order to attempt to identify the device's user(s) and unlock the device(s) via Touch ID. Although I do not know which of a given user's 10 fingerprints is capable of unlocking a particular device, based on my training and experience I know that it is common for a user to unlock a Touch ID-enabled Apple device via the fingerprints on thumbs or index fingers. In the event that law enforcement is unable to unlock the Apple device(s) found in the **TARGET LOCATIONS** as described above within the five attempts permitted by Touch ID, this will simply result in the device requiring the entry of a password or passcode before it can be unlocked. Due to the foregoing, I request that the Court authorize law enforcement to press the fingers (including thumbs) of individuals found at the **TARGET LOCATIONS** to the Touch ID sensor of the Apple brand device(s), such as an iPhone or iPad, found at the **TARGET LOCATIONS** for the purpose of attempting to unlock the device via Touch ID in order to search the contents as authorized by this warrant.

V. CONCLUSION

291. Based on the foregoing, I believe there is probable cause to believe Juiquin PINKARD and other identified and unidentified individuals have committed violations of federal law including use of a communication device in furtherance of drug trafficking, in violation of Title 21, United States Code, Section 843; distribution and possession with intent to distribute controlled substances; and conspiracy to distribute and possess with the intent to distribute controlled substances, violations of Title 21, United States Code, Sections 841 and 846. Further,

there is probable cause to believe that located at and in the following properties, more fully described in Attachment A and collectively referred to as “**TARGET LOCATIONS**,” are items that constitute evidence of the crimes committed by the defendant, as described in Attachment B. I further submit that there is probable cause to believe that located at the **TARGET LOCATIONS** and described in Attachment A, there is evidence of the DTO’s crimes, as detailed more specifically in Attachment B, such that a warrant issue authorizing the search of the same.
